### Tennis Tournament

### Saturday September 7th

The annual tennis tournament for the Millennium Challenge Cup will be held at the courts on September 7th starting at 2pm. Last year's very successful handicapping system will be used again. The entry fee, payable on the day, of £5 (adult) or £1 (junior) will include your first hot-dog and drink at the barbecue. Spectators are also very welcome. The tournament is open to members and also to non-members, so do encourage your friends to come along and play.

## Farm Shop to open in Chippenham

A large farm shop and food hall is to open in the Autumn at La Hogue Farm, Chippenham, situated on the outskirts of the village adjacent to the A11. The shop will sell home-produced and locally grown fruit and vegetables together with a wide range of high quality meats, fine wines and beers. There will also be a kitchen producing high quality, homemade, fresh and frozen meals for the delicatessen which will also have a range of exciting and traditional cheeses on offer. "La Hogue Farm Foods" is situated on the family farm and is being set up by Chris and Joanna Reeks (who were married in Chippenham Church 2 years ago). The shop will also offer fresh and home-baked breads together with home-produced free-range eggs and a wide range of unusual preserves and sauces. The shop, which is scheduled to open at the end of October, is already taking orders for traditionally farm-reared free-range turkeys and geese for Christmas.

### Part-time staff wanted

Chris and Joanna Reeks are actively looking to recruit part-time staff from the locality to help progress the business and be involved in this exciting new venture. If you have a genuine passion and interest in food and would like to be part of a family team, please contact either Chris or Joanna on 07818 023704 for an informal chat.

### Jubilee mugs

There are still about 25 Jubilee mugs remaining for sale at £3 each. For your unique memento of Jubilee Year, please ring Judy Broadway on 720619 or call in at 50 High Street.

### Jubilee video

If anyone would like a copy of the video recording I made of the village Jubilee Day then drop me in a blank VHS tape and I will record a copy for you.

## Broadband could benefit you

Broadband allows large amounts of data to be transmitted quickly and will mark the end of the 'world wide wait' as web pages load in seconds. With a two-way flow of information that is always connected it makes for far greater capacity for online shopping, online gaming, video on demand and video conferencing as well as individually tailored training packages and leisure activities. The possibilities are endless.

At the moment in the UK provision of broadband services to a local population depends on demand, and BT are not currently looking to upgrade our exchange at Fordham. This is despite the government's vision of a "Broadband Britain" by 2005 to go alongside their Internet related objectives - to get the government online and to get British businesses on line.

It is not just businesses that could benefit directly from broadband. School children can learn from the internet and the virtual classroom is already in existence. Executives from the new high tech companies are seeking to work from home, and it has even been suggested that house prices might not rise so fast in those rural areas where broadband is not available.

The East of England is one of the least well-served regions for broadband, and because the technology is absolutely vital to our region's future, the East of England Development Agency (EEDA) want to encourage more people to demand broadband and persuade telecoms providers to supply new services to the East of England, stimulating business growth and increasing opportunities for all. Visit their new website [www.broadbandbrokerage.co.uk](http://www.broadbandbrokerage.co.uk) to register your interest, and find out how EEDA can help you. Visit [www.broadband4britain.co.uk](http://www.broadband4britain.co.uk) for more information including details of how to contact your MP on the subject. The costs of providing this service are coming down, and will possibly drop further as more people become connected. However it is important to register interest with your internet provider (ISP); see [www.broadband1.bt.com](http://www.broadband1.bt.com).

It is also worth visiting [www.bbb.uk.net](http://www.bbb.uk.net) to see how other villages in this area have been organising themselves. There is a facility to register interest and also [www.bringingbroadband2u.com](http://www.bringingbroadband2u.com) has some interesting information. Do visit these sites and register your interest because unless enough people do register interest, Chippenham may not even appear on the "Broadband" Map.

## New bus schedules out now

The new Community Connexions bus services have been extended to cover more stops in Ely, and to connect with services to Bury St Edmunds. Service C4 now stops at Ely Maltings (Waterside) and Tesco's for the railway station as well as Market Street. Service C3 connects with service X11 to Bury which leaves from the Rookery bus station at 10:25 on Saturdays, arriving in Bury at 10:55. The return connection leaves Bury bus station at 15:20, arriving at Newmarket at 15:50 in time for the C3 bus home at 16:00. Full details are on display in the bus shelters.

The C3 and C4 services have become very successful and well patronised by customers from Isleham and Chippenham, but not, it seems, with Snailwell residents, not one of whom has bought a ticket yet.

Why not give it a try?

*The Horticultural Society is once more holding its two annual competitions: the first to find the most attractive garden and the second for the best planted containers or tubs, including hanging baskets and window boxes. The containers competition was established by the late Admiral Ross for Chippenham residents only; the gardens competition is open to Snailwell residents as well. There is no entry form, the judges will be looking at all gardens and containers easily visible from the street. Judging will be carried out during the first week of August.*

*The first prizes are a Challenge Cup for the best front gardens, the Admiral Ross Cup for the containers, with trophies for the 2nd and 3rd prize-winners. These will be presented at the Autumn Show on September 7th in the Village Hall.*

## Village Hall Extension

The good news is that we have now received a firm offer of a grant from East Cambs District Council of £7,200 towards the Hall extension. The fund-raising is now complete following a year of hard work applying for grants and funds from the Countryside Agency, the Parish Council and our own funds. We can now go ahead with the building work, which is scheduled to start on September 23rd and finish by early January at the latest. The builders hope to be finished by Christmas. The newly extended Hall will have plenty of space for the staging and lighting which was provided by East Cambs some time ago. In early 2003 we are looking forward to a grand Talent Night (or Night and Matinee) to inaugurate the staging in its rightful position.

## Planned trip to Hunstanton

*We apologise to those who put their names forward for this trip. Unfortunately, due to lack of support the trip has now been cancelled. It is a shame when it was totally free, but only 15 names were put forward. We would like to thank customers at the Tharp Arms and the Friendly Club for donating the money for the trip. The money is now going to Arthur Rank Hospice and our Village Hall.*

## HealthWise Summer Sale

*I am sure that you have noticed some of the articles in the press lately about cosmetics and the dangers associated with some of the products out there. Indeed it is difficult to know what to do for the best when selecting items to eat or drink nowadays. I have a very good range of products here which are part of the Aloe Vera Range and are called the Sonya Colour Collection. Each item contains Aloe Vera, antioxidants, vitamins A, C, and E, B complex and marine extracts and many contain chamomile and avocado oil. I have to say that they are the more expensive end of the market so I have decided to have a grand sale just to give you the opportunity to try some products which are actually good for your skin! We have a lovely range called Fleur de Jouvence (flower of youth) which consists of cleanser £10.70, toner £10.83 and firming foundation £15.64. This offer will give you the three products for just £30 or individually £9 each for cleanser and toner and £13 for the firming foundation. There are lots of other items on sale too, like lip and eye pencils and lip glosses.*

*The best way to choose for yourself is to let me show you the full range and let you try it out. Why not have a few friends round for a coffee morning or a glass of something in the evening and I will come and let you try it all out before you buy? If you host such an evening with a few friends there will be a hostess gift for you from the product range.*

## Chippenham Fete breaks all records

The sun shone, the band played and the crowds came out to spend their money at our Church Fete on July 27th. We had a very successful afternoon and raised the magnificent total of £1986 for the Church Restoration Fund. This will go towards repairs to the stonework of some of the windows, the South porch and repairs to plasterwork in the vestry.

May I take this opportunity to thank everyone who helped in any way to make the Fete such a success, whether it was by running a stall or attraction or by giving items for sale. It was excellent to have Soham Comrades Band playing for us all afternoon, making the atmosphere so relaxed and pleasant. Two of the fancy dress entrants even made it onto the front page of the local paper. My team of helpers on the day really worked extremely hard in the very hot conditions, thank you all. Especially my thanks go to Anne and Eustace Crawley for letting us hold the Fete at Chippenham Park once again.

## Cambridgeshire Historic Churches Trust

### Annual Sponsored Cycle Ride

Saturday September 14th, 10am - 6pm

The annual cycle ride in aid of the Cambs Historic Churches Trust is taking place on September 14th. There will be at least two cyclists from Chippenham taking part, and hopefully some from Snailwell. Please sign up for sponsorship if you are asked, as half of the money raised comes back to our churches and both have benefited from loans from the Trust in the past. Chippenham raised the highest amount of any church in our Deanery last year, so we hope to keep up the top score.

Sponsorship forms and information will be available towards the end of August from Maureen Howes in Snailwell (577456) or Judy Broadway in Chippenham (720619).

## Play areas in Chippenham

Please note that the Tharp Way play area is for the use of young children under 12 only (plus, of course, those supervising them). The playing field off New Street is for older kids and sports activities.

## Snailwell Church News

### Walter Bird

*The sudden death of Walter Peter Bird was a great shock to everyone who knew him. Gladly, he didn't suffer, if there is a good way to die Walter found it. It was a wonderful service taken by Carol Taylor and a full church of all his friends really gave him a great farewell. This was followed by a splendid celebration of his life, very fittingly held at the George & Dragon.*

*The collection after the service, which was donated to St Peter's church, amounted to the magnificent sum of £233. Thank you all.*

### Churchyard grass

*Due to the sad death of Walter we are looking for someone to take on the cutting of the churchyard grass and keeping it in the wonderful condition that it has been over the past years. There is an honorarium towards the upkeep. If you are interested please contact Bryan Orme or Maureen Howes.*

### Flower Festival & Harvest Festival

*St Peter's is planning to hold a Flower Festival over our Harvest weekend, to incorporate the memory of harvests past. I will be coming around to talk to some of our parishioners who would have been involved in bringing in the harvest years ago. How did you celebrate the event, which no doubt meant far more to the community than do the harvests today?*

*We don't have a date for the Harvest Festival yet, but expect it to be late September or early October.*

## June's Jubilee Celebration

On behalf of the Jubilee Committee I'd like to thank everyone involved in the Jubilee Celebrations on June 2nd for their help on the day. We all had a great time at the Park, starting on the cricket ground with children's games, races, tea and entertainment. In the evening in the Park grounds everyone enjoyed the food, bar and disco and especially the grand firework finale. The weather was perfect. As well as members of the Committee and all the members of the various village clubs they represented, in particular the Cricket Club, Tennis Club and Bowls Club, I'd also like to thank Michael Ransome for his untiring help before and after the event. Thank you also to Anne Crawley and Eileen Smalley for judging the fancy dress: a very difficult task.

Well done all – we've now been asked to repeat it next year!  
*Kevin Pallant*

## New Parish Councillor for Snailwell

*Snailwell Parish Council co-opted Mrs Gaynor Ryan, of Manor Farm Barns, Snailwell, to the Council at their last meeting. This follows the resignation of Mr Brodie Hall, who has left the Council due to pressure of work commitments. We are grateful to Brodie for his help on the Council over the last few years, thank you very much.*

## Planning meetings of Chippenham PC

The District Council often sends us plans for comment which require return within 2 or 3 weeks. This means our reply needs to be sent off between scheduled Parish Council meetings. So we have begun to reserve some meeting dates between the regular six-weekly meetings in case plans have to be considered in the meantime. The next such date is on Thursday August 8th at 7pm and as we already have some plans to consider it will definitely be held at the Village Hall. As is usual with Parish Council meetings, members of the public are welcome to attend but not to speak unless invited.

### Anonymous letters

Please note that the Parish Councils will not consider concerns raised via anonymous letters. Please sign your letters if you would like them to be discussed.

**THE NEXT MEETING** of **Chippenham** Parish Council is a planning meeting on Thursday August 8th at 7pm in the Village Hall. The next ordinary meeting is on Thursday September 12th at 7pm, also in the Village Hall.

**Snailwell** Parish Council's next meeting will be held in St Peter's Church on Wednesday September 25th at 7.45pm.

**Next issue** Please send all notices and news for the next issue to the Editor, Judy Broadway, 50 High Street, Chippenham, Tel: 720619, by September 22nd. Feedback on items in this issue or ideas for future issues would be very welcome. You can e-mail me items to [j.broadway@dial.pipex.com](mailto:j.broadway@dial.pipex.com).

## Chippenham Youth Club

At a special meeting on July 24th, Youth Worker John Butler, who works for Soham Community Education, has agreed to lead a Youth Club in Chippenham on Friday evenings. John has previously worked for Soham, Isleham and Fordham Youth Clubs so is well acquainted with the skills needed by a Youth Leader. He is also a qualified football referee. You can contact John on 01353 727760 (day) or 01353 721725 (eves).

The Youth Club's first meeting will be on **Friday September 13th**, starting at **7pm** in the **Village Hall** and will be for Chippenham young people only. It is planned to hold a 'guest evening' once a month when members can invite their friends from other villages.

The cost of membership will be 30p per session. Membership forms will be available in advance and have to be signed by a parent.

There are resources available from Soham for craft sessions, e.g. leather-work and jewellery making. We already have some equipment but will need more. Adult helpers are also needed. We have several offers already from parents, but would like more so that helpers only need to come once every few weeks. Helpers have to fill in a form in advance to register with the Soham Centre and must be police-checked (using the form).

On 9th September at Lodeside, Soham Village College, there's a meeting for Youth Leaders and adult helpers at 7.30pm. If you'd like to go you can ring Linda Bendall, Youth Officer, on 0788 4214044, or just turn up.

There's also a scheme called Millennium Volunteers which pays for training those aged 16+ as youth workers. Details of this will be available from the Soham Centre soon.

For membership forms and adult helpers forms, please apply to Judy Broadway at 50 High Street.

## Wanted: Sports Equipment

### Pastoral Letter from the Vicar of Fordham

Dear friends,

It's been a funny old summer: lots to enjoy and rejoice in, the Queen's Golden Jubilee celebrations, the England football team and Tim Henman nearly making it. But hot on its heels comes the bad news: England and Tim don't make it, public service workers announce a summer of discontent and after a couple of days of warm sunshine the rain and the cold returns again. "All is vanity," said the writer of Ecclesiastes, an old cynic if ever there was one, "all our achievements are ultimately pointless."

There are at least three ways to react to good news when we get it. The first is to accept it uncritically, to enjoy it, perhaps even to allow it to mask over all the bad news you'd rather not look at. The second way is precisely the opposite, the Ecclesiastes approach: to mutter darkly that it can't last or to point out that what might be good news for some is bad news for others. Both of these approaches were in evidence in a phone-in I listened to on the Jubilee Bank Holiday morning. "Are you proud to be British this morning?" the presenter asked brightly. Not surprisingly, some were, while some were anything but.

The Christian approach doesn't really identify with either of these. I suppose you might call it a 'middle way' (!) but I would prefer to call it a higher way. The Christian understanding of the world leads us to recognise both the alternation of good and bad fortune and the frailty of human nature which makes it difficult (if not impossible) to carry out our best intentions. But it is not human nature on which we rely, it is the grace of God, who is unchangeable and whose purposes cannot finally be defeated.

St. Augustine wrote of this hope many centuries ago, and I find his advice a good antidote to the cries of 'all is vanity!' which we some times hear: "Listen. The Word Himself calls you to return, and with Him is the place of peace that shall not be broken, where your love will not be forsaken unless it first forsake. Things pass that other things may come in their place and this material universe be established in all its parts. 'But do I depart anywhere?' says the Word of God. Fix your dwelling in Him, commit to God whatsoever you have: for it is from God. O my soul, wearied at last with emptiness, commit to Truth's keeping whatever Truth has given you, and you shall not lose any; and what is decayed in you shall be made clean, and what is sick shall be made well, and what is transient shall be reshaped and made new and established in you in firmness; and they shall not set you down where they themselves go, but shall stand and abide and you with them, before God who stands and abides forever."

With my love and prayers, *Revd Anne Haselhurst*
