Santa Claus is coming to Chippenham

Santa Claus will be arriving in Chippenham on Saturday December 20th, just in time for Christmas. He will ride in his horse-drawn carriage up to the Coach House Stables, arriving from the A11 direction. He should be coming up the High Street at about 12 noon, so do come along and give him a wave: he really appreciates seeing lots of children.

Carol Singing in Chippenham

Everyone is welcome to join in on our annual Carol Singing visit around the village on **Monday December 22nd**. We will meet outside the Village Hall at **6.30pm** and start off in Scotland End, then come down the High Street and do as much of the village as we can before it gets too cold or too wet. We will end at Chippenham Park, by kind invitation of Anne Crawley. Proceeds will be split half-and-half between a Christmas charity and our Choir funds.

The Choir is also singing at La Hogue Farm Shop on Saturday 20th December, 11am-1pm. We hope to see you there and wish everyone a very Merry Christmas. *Terry Cross, Tel: 721549*

Kerbside recycling

You should by now have been given a large black box by Cleanaway, the District Council's waste collectors.

The black boxes are collected every fortnight (very early in the morning) and you can fill them with newspapers, magazine, junk mail and Yellow Pages. In separate plastic bags on top you can put washed-out cans, glass bottles and jars and shredded paper.

The collection day is Wednesday and the next dates are December 10th and 24th, January 7th and 21st and February 4th and 18th.

Please note that you can still continue to recycle your bottles, paper and cans at the Village Hall site. The Village Hall and Parish Council benefit from the amount collected at this site, but don't receive anything from the kerbside collections.

You can advertise in the small ads page, or publicise your business in the directory listing. The web site also has information about local services such as the recycling timetable.

Royal British Legion

It is with great regret that I have to tell you that the Royal British Legion branch in Chippenham & Snailwell no longer exists. The reason for this sad event is that we only have five members left, who are all in their 70s or 80s.

The money we had held in the past amounted to £1,200. We all agreed the money should not go to the Legion's central office, but to a more worthy cause. We found an RBL home in Cromer who badly needed fibre-optic equipment, so the money was sent there. I received a very nice letter of thanks from the Matron. A copy was sent to each member. The equipment will carry a brass plate to say it was donated by Chippenham and Snailwell RBL. I have a receipt for the money. My thanks to Sid Fisher, our Standard Bearer for the past 19 years, who always did us proud. Also thanks to David Smith, our hard-working Secretary, who sadly has left the area, also Fred Fuller for his unflinching work behind the scenes, Josie Musk for her work for the Service Committee and all other members.

The Remembrance Service at Chippenham was a great comfort, thanks to our Curate Mike Banyard. The Choir sang a beautiful anthem with Judy Broadway at the organ. The Last Post and Reveille was well played by Daniel Cross. It was a sad moment when the Standard was laid up for evermore in both churches.

Thanks to friends and neighbours for their help and kindness once again while I was in hospital: also to Mike for his prompt and comforting visit to Ivy and for offering to fetch me home. Thank you, God Bless you all.

HealthWise

In recent weeks I have noticed that we actually have a week devoted to raising awareness of eczema and vast amounts of information about the various treatments available. In response to some of the items I have read recently I would like to make some comments of my own about natural alternatives to the conventional steroid creams which can weaken the immune system over time as well as thinning the skin.

Initially, check out your diet and try eliminating one food group at a time from red meat, fried foods, dairy products (try soya as an alternative to milk) fizzy sweetened drinks and processed foods e.g. convenience foods, ready-made meals, etc. Drink lots of fresh water daily and cut down on caffeine-rich drinks. Avoid using toiletries which are full of chemicals as they often cause allergic skin reactions. Try using some good quality Aloe Vera products. The Forever Living range has two in particular which have been proven repeatedly to be highly effective with all kinds of skin conditions as well as eczema. Aloe Vera Gelly is excellent to use if the eczema is open and weepy while the Aloe Propolis Cream, a combination of Aloe Vera and propolis, which acts in the same way as a natural anti-biotic cream, is particularly effective when the condition is dry and flaky. Forever Living Products grow their own Aloe Vera plants without the use of any added chemicals and pesticides and collect their own propolis from their own beehives situated above pollution levels. The products are of a very high quality, not available over the counter but from agents such as myself. They all come with a 60 day money back guarantee so you can try them out with confidence. There is also an excellent drink, Aloe Berry Nectar, which is particularly suited to people with skin conditions as it helps with the formation of new healthy skin cells. I have seen some wonderful results with all ages from a six month old baby to someone in their seventies whose skin had been badly damaged by repeated use of steroid creams over the years. Both Forever Living Products and Neways also do some excellent cosmetic ranges without the added chemicals which are often associated with skin problems. I would be happy to speak to anyone who would like more information, either on matters of diet, or to try out some of the products which could help to improve the condition in a safe and natural way. For further information please contact: Maureen Penney tel: 01638 750475 or email:Maureen@penney24.go-plus.net

Snailwell Christmas Fayre Saturday 6th December, 2.30pm

in St Peter's Church

Helpers are urgently needed. We have a number of regular helpers who are unavoidably away for this date, so your assistance will be vital. If you are available on this day and feel you'd like to join in, please don't hesitate to contact Maureen on 577456. All proceeds from the Fayre go to the church Restoration Fund. We still require articles for the stalls: Bric a brac (white elephant), produce, jewellery, toys & games and the Christmas stall. So if you're looking to make room for the new influx of things this Christmas, here's a good way to do it. Don't forget to come along to the Fayre: there could be something to catch your eye. There are always some good bargains at this event.

Church Flowers at St Margaret's

I should like to extend my sincere thanks to everyone involved in the weekly provision of the flower arrangements in church throughout the seasons, and to the many talented people who joined in to make this year's Flower Festival such a splendid occasion. We shall be decorating for Christmas on the 23rd/24th December and if you would like to come along to give us a hand, we would be delighted to have your help. Also any contributions of flowers and evergreens would be much appreciated.

Chippenham Flower & Harvest Festival

The Flower Festival weekend raised £624.64, which will be split half-and-half between church funds and the Flower Fund. A big thank-you to everyone who helped with the flower arrangements, the Private View, the Harvest Festival and the Harvest Supper. It was a brilliant weekend and well supported. Especial thanks to Jennifer Wilson for persuading so many people to display their talents: the range of different creative abilities in the village is quite amazing.

Parish Council News

Parish Precepts for 2004

Snailwell Parish Council met in November and decided not to raise the Precept for next year: it will remain at £2,000. This money is given to the Parish Council by the District Council and comes out of residents' Council Tax: representing about £27.75 per head per year. Chippenham PC has not yet decided on its Precept, which last year was £5,500, and will be set at the December meeting.

The Precept monies go to pay for village grass cutting, play areas, street lighting, bus shelters, insurance and the Parish Clerk' salary.

Affordable Housing in Snailwell

Thank you to everyone who came to the well-attended Parish Council meeting in October when the proposal to build affordable homes in Snailwell was discussed. The meeting voted unanimously against the project, as it was felt that the open countryside site was not suitable for housing. The District Council has now written to say that in view of this decision, the project will not now go ahead.

Many thanks to everybody in both Chippenham and Snailwell who gave of their time and talent to make both churches look so magnificent for Harvest Festival. The Harvest Suppers, which followed the services at both St Peter's and St Margaret's, were a great success!

The displays of craft work and the floral displays of so many different parts of the life of Chippenham were hugely admired by many who came to the weekend festival: the concert on the Saturday evening was well attended and followed by another moving service of Compline, with a rousing service on Sunday to complete the festivities.

Thanks too to all those who responded to the competitions. A splendid display of "eagles" will be on show in St Margaret's. The word search also tested the wits of many, and a good number of entries arrived. Thanks again.

And yet more thanks to all those who have helped in clearing the churchyard; it is lovingly cared for every week, by relatives and friends who tend individual graves; we can find peace and comfort in remembrance. The "Laying Up" of the Standard of the Royal British Legion, Chippenham and Snailwell Branch, on Remembrance Sunday, was also a tremendous moment, not only of sadness, but also of thanksgiving for the commitment and sacrifice that so many in our villages made, and continue to make, to the cause of freedom. And we are all grateful.

If the last two months have been busy, then December and January will be times of great celebration.

At their heart is our great thanksgiving to God for the gift of His Son, our Saviour Jesus Christ. What a gift! This is what Christmas is all about. And this is where we focus our thoughts, hopes, and prayers, where we celebrate community with family, friends and neighbours. Christmas is Good News for us and the world.

Amid all the hustle and bustle, do find time for a few quiet moments each day in Advent, our four weeks of preparation for Christmas, to think about how blest we are. Give thanks to God, for in giving thanks we will find the true meaning of Christmas: of God's great love for us, mirrored in our giving to others, of thoughtful presents, and time of joy, of giving without thinking of a reward, of feasting and merry making. Just look at the children's faces and there we see a remarkable response of awe and wonder. You can recapture it afresh this Christmas.

Do give some time and thought, too, to those less fortunate; make sure that we share our blessings with others and that no one is left out or alone. We should make sure that we give too, so that all may share in God's love for us and for each other. Jesus came that we might have life in all its abundance. What a fantastic gift it is for us all.

God Bless. Have a blessed and peaceful Christmas & New Year.

Mike (Tel: 01638 721616)
