BT Phone Books

Every two years we have a free new phone book delivered. In previous years we have been given the Bury St Edmunds area book, but this year BT has decided, because of our postcode, to send Chippenham residents the Cambridge one. However, the Cambridge book doesn't really cover this area. Several people have already complained to BT and BT has agreed to send free Bury area books to everyone who asks. Ring BT on Freephone 0800 833 400 or 0800 800 150 with your phone number and they should send out your new book. Thanks to Letty Hurrell for pointing this out.

Do you play bridge?

Attention all casual bridge players! I'd love to start an informal village bridge group and would gladly host the get-togethers.

If you love playing bridge and would be interested in playing once or twice a month, please call Ronna Arellanes @ 721875. (If you're highly competitive and a "cut-throat" player who doesn't like to have a laugh while enjoying the game, this would not be the group for you!)

Chippenham & Snailwell Horticultural Society

A reminder that we have two meetings with speakers booked for the Spring:

March 9th Barry Gayton "Weird and wonderful"

April 13th Marilyn Crossley Flower arranging
(this talk will include several demonstrations)

Both meetings start at 7.30pm in the Village Hall, Chippenham.
We hope to see all members there. *DH*

Tommy Snare, 1914 – 2004

Tom was the first Chairman of the Horticultural Society when it was formed as an allotments society in 1951. He held the post for over forty years until 1994 when he stepped down and was made an Honorary Vice-President. Tom made a huge contribution to the life of Snailwell, having been a Parish Councillor for many years. He was known and well-loved by many people as witnessed by the full church at his funeral on January 21st.

Our prayers and deepest sympathies to Betty and John at this sad time. *Fred Fuller*

Chippenham Women's Institute

Our meeting on Wednesday February 18th will feature speaker Mr Scott who is coming to talk and demonstrate the art of glass-blowing. Mr Scott has visited us before and his talk will be interesting and fun. The competition is for a serviette ring with serviette. In March we meet on Wednesday 17th for our AGM when we will elect the year's committee and officers. The competition then is for a brooch. All visitors are very welcome, we meet in the Village Hall starting at 7.30pm.

HealthWise

As regular readers to my column will be aware I try to cover seasonal and topical issues in the field of health and nutrition. If you have been reading the papers lately you will probably have come across articles following the report in the Journal of Applied Toxicology which is putting deodorants and anti-perspirants firmly back in the public eye again.

Initial reports have highlighted the presence of aluminium and its association with early onset on dementia, in particular Alzheimer's Disease, breast cancer and the breakdown on the immune system. Aluminium, often accompanied by zirconium, two of the most commonly used elements in anti-perspirants and deodorants, have been found in human breast tumours.

Numbers of breast cancer sufferers have risen from 20,000 in the seventies to more than 40,000 today, and increasingly it is affecting men as well as women. Heavy metals such as aluminium are extremely difficult for the body to get rid of and remain stored in the tissue indefinitely with the potential to do harm in the future.

The current report also highlights the presence of parabens, from deodorants, in breast tumours. Parabens are usually added to products to prolong the shelf life and are not a necessary part of the product for any other purpose. The products which I sell ever increasing amounts of do not contain any of these substances. The Aloe Evershield Deodorant Stick costs £5.26p and lasts for 6 to 9 months with daily use. The Subdue deodorant (Neways) contains a selection of herbs and is a roll-on which costs £4.11 and lasts around two months. Neways products are all made from natural ingredients and are the safest range of products on the market I have come across. There are other aluminium products on the market but they are still difficult to find in High Street stores.

I hope this helps to clarify some of the points raised in recent research. For further information telephone: 01638 750475 or email: maureen@penney24.go-plus.net.

Snailwell Church News

Many thanks to everyone who helped with the Christmas Fayre: it was another successful event. We raised just over £700 in total which will go to the Restoration Fund. The Candlelit Carol Service was again a very special evening. Chippenham Choir put the icing on the cake once more: thank you. All Christmas services had a good attendance, which was encouraging.

Care of the Churchyard

St Peter's is again looking for someone to take care of the churchyard. The work involves cutting the grass, generally keeping the graves tidy and the weeds in check. There is a lawnmower available. If you are a retired person looking for something to keep you occupied and would like to earn some extra money, or if you know of anyone else who may be interested, please contact us. It is not necessary to live in the village.

Bryan Orme, 578265 and Maureen Howes, 577456.

Questions of Faith

The next in our series of Faith Talks will be held on Tuesday March 16th at Isleham Church Centre. The subject is "Luke's Gospel". We start at 7pm and aim to finish by 8.15pm. All very welcome. Paul Mangell

Come and sing Stainer's "Crucifixion"

Bottisham Church is holding a choral workshop in the church on Saturday 27th March, starting at 10am, with a performance at 7.30pm. There will be plenty of refreshment breaks in between.

We shall be singing the "Crucifixion" as a prelude to Easter. Under the expert tuition of Roger Bond we shall be ready to sing it before an audience that evening. An enthusiasm for singing is the basic requirement but we hope that more experienced singers will join us for a truly wonderful sound.

It would be useful to have an idea of potential numbers as we need to engage an organist and soloists. Please ring me on 01223 812432 and I will send you an application form and further information. To cover our expenses and raise some money for the Church Fabric Fund, a charge of £8 per person will be made (concessions available).

St Margaret's Choir

Our carol singing outings were both great successes. We sang outside La Hogue Farm Shop on a wet Saturday morning just before Christmas and went carol singing round a large part of the village one evening in Christmas week. Together these two efforts raised the magnificent total of £300, which has been split half-and-half between choir funds and a donation to The Samaritans. Thank you to everyone who supported us. Also many thanks to all choir members who sang so well at the various Christmas services.

Choir practice starts again as usual on Wednesday February 4th at 6.30pm in church. New members welcome. We will start rehearsing for a performance of Mozart's *Missa Brevis in G* which we hope to give on Easter Sunday morning as part of the service.

Lost a key?

Found in the carol singing collection money: a small key, maybe from a money-box? If you've lost such a key please apply to Terry Cross (721549) for its return.

Shoebox Appeal

A very big thank-you to everyone who donated gifts for the shoebox appeal to help children in Eastern European countries have a special Christmas. Over 2000 shoeboxes left Pound Lane Church in Isleham and made their way to lots of very happy children. Thank-you all very much.

Parish Council News

Black box recycling and deliveries

The Parish Councils of both villages have received complaints that some residents haven't been given recycling boxes. It seems that the District Council's policy is to collect recycling items only from properties within the 30mph limits of the village. We have asked our District Councillors, John Abbott and Michael Allan, to try and remedy this. It is not fair that people living out of the centre of the village get a less good service.

The next few collection days are February 4th and 18th, March 3rd, 17th and 31st.

Do carry on recycling your bottles, paper and cans at Chippenham Village Hall site as well as through the boxes. We recently received £373 for the recycling in the first six months of 2003, half of which is donated to the Village Hall, so it is very worthwhile.

Vacancy for a Councillor

Snailwell Parish Council has a vacancy for a Councillor following the recent death of John Bye. John served on the Parish Council for 2½ years and made a valuable contribution for which we are very grateful. Now we have to co-opt a new Councillor to serve until the next Parish Council elections in 2007.

You are eligible if you are over 21, either British, Irish or an EU citizen, and live or work in Snailwell parish or live within 3 miles of the parish.

Snailwell Parish Council meetings are held in the church roughly every two months. We discuss planning applications and many village matters such as litter, roads, street lights and amenities.

If you would like to be considered for co-option please contact the Clerk, Judy Broadway at 50 High Street, Chippenham, or the Chairman, Mrs J Waddilove at The Walled Garden, Church Lane.

Bus shelter, Chippenham High Street

The Parish Council is very concerned at the way the bus shelter is being misused by a tiny minority. Apart from litter constantly being left around (in spite of a dustbin being provided), people have been urinating on the floor. The cleaner does his best, but this anti-social behaviour makes the shelter really unpleasant and of course impossible to use as a waiting area. The light has finally been repaired after a long wait, which may make a difference.

Please remember that the shelter was built as a memorial and is meant as an amenity for the whole village. Your thoughtless action causes expense to the Council (and therefore to all rate-payers) and unnecessary effort and distress to the whole community.

Neighbourhood Watch News

There have been three criminal incidents in Snailwell recently; a burglary, a vehicle theft and an attempted burglary. We urge everyone to keep their eyes and ears open for unusual visitors or cars in the village.

Please note that if you report a crime to the Police, you should ask for a crime number in order that it is registered properly. Otherwise it could be logged as an 'incident' and not show up in the statistics for our villages. You can report crimes on 01223 358966. In an emergency, do not hesitate, dial 999.

East Cambridgeshire District Council

Dog fouling alert

The District Council Dog Warden and the Parish Councils are concerned about the amount of dog fouling in this area.

We need your help to stop this anti-social behaviour.

If you see it happening, this is what you do:

- *Take a note of the time, date and place*
- *Get a description of the dog (size, colour, etc)*
- *If possible name & address of the person in charge of the dog*
- *If you feel comfortable to do so, ask the person to clear up after their pet*

Then contact the Dog Warden at East Cambs District Council, Environmental Services, The Grange, Nutholt Lane, Ely, Cambs CB7 4PL Tel: 01353 665555. She will approach the person concerned. Action can be taken against offenders, with a maximum fine of £1,000.

Current Planning Applications

Plans recently received by Chippenham PC:

- *Change of use of residential property to allow commercial activity for private functions, hospitality suite, etc, Chippenham Lodge, 03/01307, for Fluorocarbon Holdings Ltd*

THE NEXT MEETING of Chippenham Parish Council will be held on Wednesday March 17th at 7.30pm in the Village Hall.

Snailwell Parish Council's next meeting is on Thursday March 18th, at 7.45pm in St Peter's Church.

From the Three Rivers Curate: Mike Banyard

Christmas may seem a long way off now, though the seasonal cold and snow of late January has transformed both Chippenham and Snailwell back to picture-postcard looks. Carol services at both churches were a delight and a real start to the Christmas season; our grateful thanks go to Terry Cross and the entire choir for their expert and inspiring singing to lead the worship. Midnight Mass at Snailwell was another welcome service appreciated by many. Snailwell's new sound system is working very well, and the congregation at Chippenham will be very pleased to learn that the PCC is planning to install a similarly effective sound system at St Margaret's, so that all may participate more fully in future. We are planning for the installation of the system before too long.

Christingle services will be on Sunday February 8th at 3.30pm at Snailwell and 5pm at Chippenham. Christingle is a service of light for all the family with oranges and candles. All are very welcome.

Ash Wednesday on February 25th, together with Shrove Tuesday, marks the start of *Lent*, forty days of preparation for Easter, which this year is on April 11th. Traditionally Christians have given up something that means a great deal to think more deeply about who we are and how we should be in the world.

Why not take something up this year? Come to church; take the chance of an hour a week to worship, think, be still, and reflect on what is truly important. You will be assured of a warm welcome at St Peter's and St Margaret's.

Mike (Tel: 01638 721616)

Sunday School

In Chippenham, the all-age Sunday School now meets at Paul and Isobel Mangell's house at 48 High Street, starting at 10.50am each week. Bring the children along! At 11.50am the children come to church to join in the final part of the service with the whole community. Try it! On Family Service days the children come for the whole service from 11 - 11.45am.

Churchyard Clean-up

Saturday 13th March, 10am - noon

Please come along to Chippenham churchyard on 13th March and help us tidy up ready for the Spring. All welcome. Refreshments provided.
