Chippenham Lethargy Society

Will the person who wrote the extremely interesting article about this new group please contact the Editor.

FOR SALE

Playstation One and controller in good condition, £45.
Please contact Judy Gear on 01638 721081.

Chippenham Women's Institute

Meetings

We meet in June on Wednesday 16th, when our speaker will be the Revd Graham Locking, Chaplain to Horseracing. The competition is for a prayer or hymn book. In July we have an Open Evening, to which we invite everyone to come to hear Michael Bentinck talk on "War-time Women". This should be a fascinating talk which will we hope provoke many memories for the older members of our group. Guests are very much encouraged to attend. The competition is for a wartime memento. Our meetings all start at 7.30pm in the Village Hall.

Outing to Gifford Hall

We are organising an outing by coach to Gifford Hall, near Hartest, on the evening of Tuesday June 15th. At Gifford Hall we shall tour the vineyards and winery and see the vegetable garden and wild flower meadow, then stop for refreshments. There are a few seats to spare on the coach, so if you would like to join us, please contact Jennifer Steele on 720705. The coach costs £5 and leaves Chippenham bus shelter at 6pm.

Ginette Hawes, President (781127)

Park Open Day

This year's major fundraising event for the club is the organising of refreshments for the next Open Day. This takes place at Chippenham Park on Sunday June 27th. Help is needed with serving teas, washing up and running the barbecue, between 11am and 5pm. Please contact Alan Broadway on 720619 if you can help on the day or provide a cake. Many thanks.

Cup Success

An excellent result for the mixed team on May 18th saw a victory over West Row in the first round of the Cup. We now face Fordham in the second round. League home matches to come are June 15th (Wickhambrook), July 7th (Brandon), July 9th (Newmarket) July 13th (Soham, July 20th (West Row). Men's team home matches in June are on 8th (Woolpit), 16th (Exning), 22nd (Newmarket) and 29th (Burwell). Spectators are very welcome. All matches start at 6.30pm.

Don't forget the Thursday evening Club sessions, also from 6.30pm.
Alan Broadway, Tel: 720619

Snailwell & District Challenge Cup

The final of this football challenge was held at Lakenheath FC on Sunday 23rd May at 3.15pm. The finalists were Wickhambrook v Tuddenham Rovers. Tuddenham won 4-3 against Wickhambrook, who have been runners-up for the last 2 years. Mrs Jane Waddilove, the Patron of this 78-year-old event was again there to present the cup and trophies. The winner of the "Arthur Dennis Player of the Match" was Tuddenham Rover's number 7, C Murkin.

It was a well-attended event and lovely weather. Thank you to everyone who bought raffle tickets from me and well done to the lucky winners. I brought 8 prizes back to Snailwell. Sorry that so many people who have been lucky winners in the past didn't manage to have the opportunity this time. I never made it all round the village when selling tickets on the Saturday. I'll catch you next time!

If anyone would be interested in becoming involved in the running and organisation of this event, or would like to know more about the history of this competition, please contact the Hon Secretary, Mr K Dyble, 4 Dolphin Close, Pakefield, Lowestoft, Suffolk NR33 0LA.

The principal recipients of charitable donations from the Challenge Cup matches are: Snailwell Church, Magpas, East Anglian Air Ambulance, Newmarket Day Centre, The Red Cross, Newmarket Hospital, Girl Guides, Boy Scouts and Cubs.

With many thanks for your support, Maureen Howes

Meggie's Pet Sitting at your Service

Are you going away and don't have anyone to look after your pets? If so DON'T WORRY!! I'm here to help, just give me a ring on 01638 720062.
Megan Dumphreys

Jaybeth Animal Sanctuary

Jaybeth Animal Sanctuary is a charity-based organisation and relies mainly on our help. The sanctuary takes in any animal ranging from dogs, goats, rabbits, cats, horses, chickens.... as you can see the list goes on!! If you are looking for a pet of any sort (you are sure to find it at Jaybeth!!) then please give me a ring. If you can help in any way whether it be homing an animal or donating food, (of any kind), old blankets, food bowls, hutches etc, it would be very much appreciated. Thank you for your help.
Megan Dumphreys 01638 720062 4, Tharp Way

HealthWise

This month I had no idea what I was going to write about until I opened the Newmarket Journal at the Lifestyle page to see a lovely photograph of my friend Margaret Weeds and to read about her wonderful business - Essential Care.

Some of you in the Chippenham Women's Institute may remember Margaret coming as a guest speaker some time around 1990. She talked on the subject of aromatherapy and the benefits of this combined with reflexology. It was a most interesting and enlightening talk and when some two years later I was diagnosed with M.E. I immediately thought of Margaret and telephoned her. She gave me weekly reflexology and aromatherapy massage for about a year and was my inspiration for the field of work I am now in. She set me on the trail of cleaning up my life by getting all the processed foods and chemicals out of it and by eating organically grown produce and using chemical-free products went on to gradually regain my health and to study nutrition and, as you all know, I now teach health and nutrition in many various centres. Margaret produces her own range of products all made from the finest organic ingredients and is the only company to have produced an organic shampoo. She is based at Lackford and can be contacted on 01284 728416 and has her own website www.essential-care.co.uk.

In the meantime I hope we shall continue to have some more warm sunshine but do not forget to protect yourselves from the strong sunlight. Remember that not all of the sun creams out there protect from all of the sun's rays but the Forever Aloe Sunscreen does give UVA and UVB protection, is a natural Factor 30 and acts as an After Sun as well as a Sunscreen, so is two products in one - price £10.59p. Remember the number of the factor on any sun product only permits you to remain in the sun safely for that number of minutes - so a factor 30 cream gives you just thirty minutes without damage, after that reapply or move from the direct sunlight. Any further questions please contact Maureen Penney on 01638 750475 or email: maureen@penney24.go-plus.net.

Open letter from Wildtracks Action Group

In the April edition of the Newsletter John Gorst wrote an open letter to Chippenham residents in order to address concerns about Wildtracks' operations, and to correct what he feels have been some inaccuracies in press coverage. Since these are matters which could affect the village as a whole, we wanted to add some more details to the information he has supplied, in order that there can be some informed debate among us.

The first thing which needs to be said very clearly is that nobody is objecting to Wildtracks' existence. Our concerns are with the possible developments of the site and operations. What therefore are our concerns, and what has given rise to them?

Operations: *Wildtracks was granted planning permission in February 1995 for a "full off-road facility with ancillary buildings". Many conditions went with this permission, the main ones being that they could only operate Motocross Rallycross or Go Karting on two days in any seven day period, that noise readings should be taken at each time of operating, and that use of the tannoy should be limited to emergencies only. Over the last nine years Wildtracks has regularly breached these conditions: noise readings were not taken, the tannoy has been used and the track operated beyond the conditions stipulated, to the point that breach of condition notices have been served on Wildtracks by East Cambs District Council (ECDC). This failure to comply with the planning conditions is a justified concern, which we hope Wildtracks will put right in the future.*

Development: *in 2001 Wildtracks submitted plans for a major development of the site, which included a 120 bed hotel, conference facilities for 500, and a high-speed car testing track. It was at this point that some local residents became worried, and the Wildtracks Action Group was formed. Noise simulations were carried out, along with other environmental studies, and the results were sent to ECDC. When the application finally came before the ECDC Planning Committee, it was strongly opposed by all but one of the members.*

Recently Wildtracks built a tarmac track for Rallycross, Go Karting and Supermoto racing. ECDC's consent was not sought for this, nor for the bunding, until after construction, and then only after the intervention of the planning officer.

A year ago a petition was signed by 400 local residents, 100 of them from Chippenham, expressing concerns about the previous plans. No one is objecting to the development of the site in principle, but we all want such developments to be in accordance with planning regulations, and in line with what is best for the village as a community.

Noise: *this is of course the aspect which is potentially the most intrusive. In his letter John Gorst quotes a worst-case scenario, in which the wind is blowing from the South West, and yet the noise of Wildtracks is still dominated by the noise from the A11. Since Wildtracks can be heard quite clearly and distinctly on most days of operation, even at points a considerable distance from the site, this scenario is hard to understand. John Gorst says that copies of his report are available for inspection, but when we asked for one we were told that the documents are not ready. Given that Supermoto, if permitted, would generate a lot more noise than Rallycross or Go Karting, this remains an important issue.*

It is our hope, and the sole purpose of the Action Group, that through dialogue and through following the proper planning processes, a way can be found which will allow the development of Wildtracks along lines which are in harmony with the community, and which take into account these concerns.

Wildtracks Action Group

Parish Council News

Snailwell Parish Council

At the Annual Parish Meeting on May 20th, it was announced with great regret that our Chairman, Mrs Jane Waddilove, had tendered her resignation from the Council. Jane has been a Parish Councillor and Chairman in Snailwell continuously since January 1975, and prior to that Snailwell's District Councillor on the Rural District Council. She has been a simply invaluable member of the Council and has contributed so much to the village in so many ways. She will be very sorely missed. Thank you, Jane, for everything you have done for Snailwell through the Parish Council, I know you will continue to support the village.

It's interesting to note that prior to 1975, Mr Webb had been Chairman of Snailwell PC since 1947, and before him, Mr Debenham since 1932. So the Parish Council has had only 3 Chairmen in 72 years, and only four since it was founded in 1931, the Revd Powles being its Chairman for the first year.

At the Parish Meeting, the resignation of Tony Ranner was also received, as he is moving away from Snailwell. Thank you Tony, for your helpful presence on the Council over the last few years.

Councillors elected Bryan Orme as the new Chairman, with Gaynor Ryan Vice-Chairman. There are now two vacancies on the Council. Will anyone who is interested in being co-opted please contact the Clerk or Chairman in writing as soon as possible, or in any case before our next meeting on July 29th.

Judy Broadway, Parish Clerk, 50 High St, Chippenham

French market comes to Ely

A very special event is about to happen in Ely on Friday 18th, Saturday 19th and Sunday 20th June. If you feel like travelling to France for your next holidays, but don't know when this is going to happen, then, here is a way of enjoying a touch of France right at your doorstep. *Oui*: the French are coming to you!

Marché de France, a professional team of French market traders that has a real team spirit, has been touring around England and Wales for 5 years now. French markets are usually quite popular as they bring liveliness to a town centre, something different and festive, feeling like a weekend holiday. That's what this team aims to bring when they come to us: a touch of France, together with a musical and lovely atmosphere for all the locals to remember.

This market will be offering 26 genuine traders from Normandy and Brittany. Lots of delicious food such as famous French bread (country bread, croissants, etc.), cheeses from all regions of France, wines, charcuterie, olives, garlic, honey, and much, much more. Craft stalls will be there as well, and the market will be open for trade all day from 9am to 5pm on Friday and Saturday, and from 10am to 4pm on Sunday. On the Market Square on Friday and Sunday, the French traders will be joining the traditional market on Saturday, so they will set up their stalls along High Street, which should create a great ambience all over the town centre.

So come and browse, and get a chance to taste lovely French products, as well as practise your French. Traders will be happy to chat in French with you if you feel like trying. Don't miss out, come and enjoy the fun.

For more info, contact Tracey Harding, Tourism and Events Officer, East Cambridgeshire District Council on 01353 616377.

Current Planning Applications

Plans recently received by Chippenham PC:

- Continued stationing of mobile home for agricultural worker (retrospective), Stannel Wood, Low Park Corner, 04/00403, for R F Turner Ltd.
- Construction of an internal free-standing staircase from first floor to attic, 36 High Street, 04/00197, for Mr E Keutgen.

THE NEXT MEETING of **Chippenham** Parish Council will be held on Monday June 14th at 7.30pm in the Village Hall. **Snailwell** Parish Council's next meeting is on Thursday July 29th, at 7.45pm in St Peter's Church.

Dog fouling bins

At the Chippenham Parish Meeting it was agreed the Council should buy some dog waste bins, one to be situated at the end of the allotments footpath in New Street, and one in the High Street, probably near the Village Hall. Please, dog owners, use these bins for your dog's foulings, and help to keep our village clean and pleasant.

Chippenham Village Hall

Residents of the High Street will have noticed a change in the colour of part of the Hall roof this last week. The roofing company is experimenting with a soot-wash over the new tiles with the aim of making them a closer colour to the originals. Whether it will wash off in the rain remains to be seen, but we hope it will speed up the weathering of the new tiles, which are glaringly different from the originals, which have been there for 10 years.

Community Support Service

This service provides respite care within a family environment for children aged up to 19 with learning, physical and/or sensory disabilities. Community Support Workers come into the home to care for the child only or with siblings to allow other members of the family free time.

We are looking for more Community Support Workers, who need to be flexible, caring and enthusiastic as part of our small highly committed team. Experience with children with a disability would be an advantage. We can offer ongoing training (NVQ Level II), flexible working hours, an hourly pay of £7.04 per hour, travel expenses and holiday pay.

If you would like more information and an application pack, please contact Berni Mueller, Community Support Co-ordinator on 01223 568808 or e-mail: berni.mueller@cambridgeshire.gov.uk

Next issue Please send all notices and news for the next issue to the Editor, Judy Broadway, 50 High Street, Chippenham, Tel: 720619, by July 22nd. You can e-mail me at j.broadway@dial.pipex.com

From the Three Rivers Curate: Mike Banyard (Tel; 721616)

Well I did go and see the Mel Gibson film, and like many, found it very moving. And, yes, it was a testing experience, and yes, it did focus on the horror of the physical brutality meted out to Christ during those last two days of his earthly life. But the film then seemed to stop. As if that was all there was.

Perhaps there is a sequel, for the *Resurrection*, that triumph of Christ over death and sin, was dealt with in just a fleeting few seconds at the very end. And then I thought that perhaps there is a parable there about how we view our lives, and how we would describe them to others. Would we simply focus on the dreadful things that do happen? Early death and awful sickness and disease, the cruel suffering of children, the difficult parts of our own stories? Or is there more?

A friend of mine wrote recently about the film and its impact: "When Jesus went to the cross, he experienced the very worst that human beings are capable of doing to each other. And yet the resurrection shows us that sin does not have the last word, and that renewal, new life, complete forgiveness and a genuine fresh start are possible with God. Because of God's great love for us in sending Jesus to do what he did, this sort of fresh start and new life are available to every one who asks, and we too can enjoy a relationship with God that will change our lives."

And one of the places to learn about this life changing energy is in that broken, learning, worshipping community we call the church. It's a community where all acknowledge that they have fallen short of the ideal, are capable of that worst, and yet seek God's forgiveness and come to know his peace in their lives. It's a great journey, and we welcome all genuine seekers after truth. Join us and find out more.

Ordination Service

Helen and I have had a tremendous eleven months now in Chippenham and Snailwell, and have been so greatly encouraged by the deep sense of community and welcome. It is a privilege to serve and minister here.

On June 26th in the Cathedral at Ely, I will be ordained, God willing, as a priest in the Church; this means that I can now celebrate the Holy Eucharist, that continuing and life giving action at the heart of our worshipping life. Also called Holy Communion, the Mass and the Last Supper, it is not only a memorial of the meal Jesus had with his disciples at the end of his earthly life; Jesus commanded us to continue to celebrate, and find in this celebration a life giving strength not to be found elsewhere. The first celebration of the Eucharist for a new priest is a highlight of ministry, and so it will be for me, on June 27th. The service will be in two parts, starting in St Peter's Snailwell at 10.30am, and then moving to St Margaret's Chippenham for the second part starting at 11.30am.

It will be a most joyful occasion, so do please join us.

Chippenham Sunday School

The Sunday School meets every week either at Paul and Isobel Mangell's house, 48 High Street, and joins the service towards the end, or attends the whole service in Church. Please note the following dates:

June 6th: attend Family Service, 11-11.45am

June 20th: no Sunday School

July 4th: attend Family Service, 11-11.45am

July 11th: no Sunday School

August 1st: attend Family Service, 11-11.45am

All other Sundays: Sunday School at 48 High Street from 10.45am, join service around 11.45am.
