**From the Three Rivers Group Associate Priest
Rev'd Kate Peacock Tel - 723690**

'If I'd have been organised and written this last week, I'd have spoken of the lovely daffs out by my front door, the gentle move from thick woolly jumpers to thinner ones, and of the sunshine perfectly illumining all the dust in my house; but as it is, we had snow yesterday, the thick jumpers are back on and the radiators stoically pumping out heat. Life is a bit unpredictable!

But, so are most things! Just when I think I've got something sorted, something completely out of left field interrupts me! A priest once said to me – if you want to make God laugh, tell him your plans! What we have in store for ourselves is so often not what God has for us; and my experience happily is that God's way is often deeply challenging but also ultimately transforming. God calls us into life, and this isn't necessarily the easy way or the straightforward way, or even the obvious way; but it is God's way. Sometimes it takes years to see the bigger picture, sometimes we see straight away, and sometimes I suspect it will take until we reach Heaven to see things from God's perspective. But God's plans for us are surprising and unique to each of us.

As you read this Easter is imminent (or even already been and gone, depending on when you find 5 mins to sit with your cuppa and peruse this fine publication!), and Easter is all about change and transformation. The totally unexpected happened. The disciples thought Jesus had gone, they mourned, they were angry, they were hurt and disappointed – emotions we've all felt in our own grief. But then the most radical and surprising thing happened – the tomb was empty; Jesus was and is alive! Initially they all though the disciples were drunk, so ridiculous was the notion that Jesus had risen. But, not drunk just transformed from death to life. There was celebration, there was rejoicing, tears and weeping, hugs and radiant grins.

Death was not to be feared, dying and the tomb were no longer the end. God had written a different final chapter – a chapter which would go on and on forever.

Chippenham & Snailwell

Ours is a God who surprises us; life from death, resurrection from the tomb. God is of big surprises and little ones; an act of kindness, an unexpected forgiveness, a kind generous gesture, a welcome, a smile. God surprises us all the time, maybe we should try and do likewise and surprise each other – a kindness, a generosity, a helping hand and a willing heart. This Easter may we surprise each other and allow God to surprise us too!

Happy Easter *Kate*

SPEEDWATCH RESULTS FEB 2011-FEB 2012

Chippenham and Snailwell

The results for the past 12 months of Speedwatch activity in Chippenham and Snailwell are very similar. The Speedwatch volunteers recorded 23% of vehicles that pass through both villages travel in excess of 32 mph.

Chippenham had 18 visits with 2100 vehicles recorded and 483 were over 32 mph. Snailwell had 12 visits over the same period with 1410 vehicles and 328 speeders.

In both villages the vast majority of drivers who were caught speeding were from outside the 2 villages.

Although the last few results in both villages do show that traffic is slowing down, we need to be more active and therefore are requesting more volunteers to join us.

If you can spare some time please contact Joe Pattison on 01638577077 or josephpattison@btinternet.com. Your help would be greatly appreciated.

Three Rivers Mothers Union

January started with an enjoyable and successful Craft/Coffee morning, kindly hosted by Judy Abbott. We were delighted when Gaynor Ryan brought the newly-completed Three Rivers Mothers' Union Banner; eight months of thought, planning and work has gone into this project. The centrepiece of the Banner depicts the Holy Mother and Child surrounded by representations of our five churches. We are most grateful to Theresa Galagher, Jackie Naylor and Gaynor Ryan for devoting time and energy to the project as well as other members who have participated, in however small a way, in its completion.

On 4 February, as part of the Mothers Union 2012 Diocesan Marathon Relay, we hosted the arrival of the MU Book of Inspirations from Soham. Our new Banner was on show with a display of the work of the MU. The soup and sandwich lunch was popular and the morning raised over £80.

On 11 February, our contribution having been completed, the Book was passed to Burwell MU and our sincere thanks to Roger Palmer for the use of his Bentley to pass it on.

EMR Update

European Metal Recycling is situated in the parish of Fordham.

Regular EMR liaison meetings are held to discuss noise issues from the site, including local villages and Snailwell. The latest EMR Liaison meeting was held on 2nd February 2012 and included representatives from the Local, District and County Council, Officials and EMR.

The Operations team from EMR and the Council officials confirmed that they were close to fulfilling all of the planning conditions required so that a barrier could be erected between EMR and the village to abate the noise from the site.

However the board of EMR who need to approve the cost of building the barrier have queried whether the noise from the site has now been abated. They claim that the noise was caused by train loading and that no train loading has taken place since September 2011 when their customer Thames Steel ceased trading.

ECDC are however still receiving noise complaints about the site from villagers who experience high levels of noise at various times.

Any noise complaints about the site should be sent to the EHO, ECDC in Ely (01353 665555) or Claire.Braybrook@eastcambs.gov.uk

If you have any questions or concerns please do not hesitate to contact me: Mrs Juliette Chappell on 01638 661460 or snailwellparishcouncil@hotmail.com.

LITTER & REFUSE

Snailwell village Parish Council have been contacted recently from several concerned residents regarding the amount/type of litter left out for collection, often several days prior to the village's scheduled collection day.

This is just to remind all residents that the scheduled collection day for refuse in Snailwell is:

WEDNESDAY *except for changes on Bank Holidays

Black sack waste is collected bi-weekly: eg 12/4/12, 25/4/12, 10/5/12, 23/5/12, 7/6/12

Recycling and brown sack waste is collected on the alternate week: eg 4/4/12, 18/4/12, 2/5/12, 16/5/12, 30/5/12, 13/6/12

Collection material should be ready for collection by 7am on the specified day but not before 6pm the evening prior. Extra or larger amounts of waste can be disposed of for a small cost at Newmarket Recycling Centre or free at Mildenhall Recycling Centre.

SNAILWELL PARISH COUNCIL 2012/13 PRECEPT

Snailwell village Parish Council are happy to announce that we have requested our precept for 2012/13 to remain unchanged for the coming year.

Although in recent years the Parish Council has become responsible for more cost, with funding being reduced, we are pleased that we feel we are able to continue to provide our services with no increase to resident's costs. This is reviewed on a yearly basis.

SNAILWELL VILLAGE TRAFFIC CALMING APPLICATIONS

Snailwell village Parish Council have applied for a traffic calming application from the jointly funded Minor Highways Improvements.

- This application is for chicanes or raised areas to slow down the traffic at the top of the village where Short Road joins Newmarket Road and The Green.

The maximum amount that can be applied for is £10,000 per scheme, however if this application is successful the Parish Council will be responsible for 10% of the cost.

FROM April the force is embarking on a new structure for local policing, abolishing the current three divisions for six district areas in line with local authority boundaries.

This change will allow police to work closer with partner agencies and deliver a much more locally-focused policing service.

The priority remains frontline services and the force's commitment to bringing offenders to justice and keeping people safe.

The structure was developed to maintain and enhance the level of operational policing tailored to local needs. It is part of the operation to redesign the whole structure of the force and ensure we reduce costs and maintain the level of service the public receive.

Each district will have a team of officers and staff who currently perform neighbourhood policing, response and local crime investigation functions.

East Cambridgeshire will be run by Area Commander Chief Inspector Russell Waterston and a team of sergeants, PCs and PCSOs will continue to cover the area. The changes will see the number of PCs covering East Cambs increasing from 34 to 42, the number of sergeants will rise by two to 10 and the area will have a dedicated crime manager. Most of the officers are already in post ready for the official changeover.

The Three Rivers Community Car Scheme

provides people with a door to door lift for essential journeys, driven by a volunteer using their own car. The passenger pays a contribution to the fuel and running costs of the car. Lifts are provided to appointments (eg. to the surgery or hospital, optician and dentist), plus help with visiting friends and relatives in hospital or with shopping

News from
**COACH HOUSE RIDING
SCHOOL**

News from the Coach House(and Bambi)

Hopefully we've seen the back of the worst weather, and we all seem to have survived the snow and ice. The horses didn't seem to mind the cold ,which was more than could be said for us humans, and Bambi was very impressed with it as long as she didn't stay out too long in it!

Bambi is on good form, her friend Eric is teaching her some tricks, and she now has a big ball that she loves to push about and even tries to lie on it, and is very annoyed when it moves! She has several engagements for the summer which you will be able to see on her Face book page "bambicoachhouse" as well as our own site. Soon she will be clipped as her hair is so dense it will take all summer to come out, so she has a new rug waiting for her which is pink with brown and white hearts on!

The fields at "Hollow" are beginning to look green, and thanks to all Kevin's hard work the whole area is looking really smart. Hopefully we may get our replacement club house this summer too, fingers crossed, so the yard will have a bit of a face lift too!

As usual you can follow us on our website and face book page. www.coachhouseriding.co.uk
