make some major  
improvements

funds to make this happen. Although funding application continues, if you would like to make a donation, or your business or employer would like to make a donation or sponsor a piece of equipment, please contact the Parish Council on the e-mail below on how you can do this. Please help to alleviate the summer holiday boredom and reduce the need for parental taxi services!

Feedback from the local children on this youth sport programme has been very positive, so many thanks to all those who responded to the questionnaire. Should you like to provide some feedback or comments, and have not had the opportunity to do so, please feel free to contact the Parish Council directly .

# The Parish Churches of

**From the Three Rivers Rector, the Rev'd Mike Banyard  
01638 721616 banyardmg1@yahoo.co.uk**

As I looked through my window the other day, a fox cub idly sauntered across the grass. In broad daylight, obviously looking for food. I haven't yet any chickens, but in thinking about it, I have looked very carefully at the security I think I might need to keep the hungry fox from the tasty chickens. And then, if I watched carefully, was patient and waited, I counted at least six birds' nests in the hedges around the garden. Our very own Springwatch!

And for me life at present has been about waiting and noticing. Seeing those signs which in a busy life might just pass me by. Life which is clearly all around me. So I have learned to wait, to watch, to stop, even if the stopping is very brief and see, really see what is there before my eyes. About how others are. About how they are feeling. About their experiences.

Jesus did that and showed us how to do it. He saw to the very heart of an issue. What a person was really thinking. What their words really meant. And that it seems to me is a good example for me to fall in with. To really listen to what another person is saying to me. Trusting another deeply enough to be prepared to be vulnerable, to open up to our deepest thoughts, fears, hopes and expectations. We truly are then on holy ground in our encounters with each other.

I asked someone the other day how they were, and got the answer straight away, "I am OK on the outside, but inside I'm very sad." And it is so easy to pass by and not notice isn't it?

# Chippenham & Snailwell

It is all about seeing the need of another person right there in front of you, and learning to hear and respond with words and gestures which will really help, which will make a difference, which will meet someone else's need at that moment.

Do join us on Sundays and hear more of how Jesus can help us to live deep lives of fulfilment and joy.

God bless.

*Mike*

# Three Rivers Mothers Union

The past weeks have been busy for our Group on both the social and fund-raising fronts.

In May a small group visited St Andrew's Church in Isleham to hear Ian Powys - the husband of a member - give an interesting talk on the medieval history of the village and Church. Followed by an enjoyable lunch at The Griffin! May also saw the first of our informal visits to the Garden Centre in Fordham for coffee and a chat - and a bit of shopping too!

At the June Meeting Helen Banyard spoke on the Mothers' Union and how it works from Parish level through to National and Worldwide levels.

Fundraising activities were very successful and special thanks to all who supported them so generously.

The Fordham and Quy Deanery Coffee Morning in May raised £165 and our Coffee Morning in June raised £116. All monies are donated to MU projects Nationally and Worldwide including AFIA (Away from it all Holidays) - a local scheme for under-privileged families to have a short holiday in Hunstanton.

Community Champions encourage local residents to carry out fire safety checks in their homes, visit community groups and educate about fire safety and escape plans. The majority of home fires can be prevented through ensuring good home fire safety practice which is why this scheme is so vital.

Community Champions receive full training, meet regularly with CFRS and other Community Champions, are provided with a uniform and are supported by Cambridgeshire ACRE in their role.

**COACH HOUSE RIDING  
SCHOOL**

We have had an exciting few weeks; Nelson and Sue won first place in a dressage competition, and then excelled themselves by picking up 4th place at the Isleham One Day event in a very large class; this was Sue's first one day event for several years which made it even better!

Bambi has been on several excursions and is looking forward to the Fordham Feast. I have started to teach her to pull a mini cart; nothing seems to faze her she just gets on with whatever is asked of her – a real little star! As always you can follow her on face book bambiCoach-House

We hosted a riding session for 12 children from Chernobyl who stay in the area with host families for a month to give them respite from living with the dreadful nuclear waste fall out which seriously affects their health. They are lovely children and we had a great time, even the weather was ok this year! They loved Bambi!

By the time this reaches you summer holidays will be upon us and we have plenty going on, so do take a look at our website to keep up with our activities.

### Highways.

The Parish Council has secured funding from the Highways Dept to provide traffic calming measures for the High Street. The PC met with the Highways Dept to discuss the various options available. Some have been rejected on the basis of cost; for example, changing the road layout, or installing electronic signage. Others such as rumble strips and speed humps, ruled out based on noise. The police have rejected the Parish Council's request to designate the High Street as a speed camera zone. Based on their data there isn't sufficient speeding to warrant the request!

The scheme which will go ahead is the installation of village 'gates' at both the Parkside and Fordham Road ends of the High Street. These white gates, together with new larger clockface style village name signage will help to raise awareness that motorists are entering a village. Existing signs will be replaced with yellow back signs and 30 mph roundels will be painted on the road.

The Parish Council appreciate that these measures will not deter the determined speeder but hope that they will encourage the more considerate motorist to obey the speed limit and therefore lower the overall speed of traffic passing through the village.

## Delivery schedule for new waste collection bins

Services will be introduced across the district over a 10 week period. It is intended that bins will be delivered to households in the week prior to service commencement to avoid problems with overflows on first collection dates.

For example Round E (Chippenham & Snailwell) will receive delivery of bins the week commencing 30th September.

Their first recyclables collection will be the week commencing 7th October and their first garden & food waste collection a week later.

East Cambs. District Council's full waste collection policy is available on the Chippenham Village Website or at the helpline in the advertisement
