News from **COACH HOUSE RIDING SCHOOL**

Lots of exciting events; Firstly Sue and Nelson won two sections of the dressage championship at Fenning Farm in Soham winning loads of great prizes donated by "Equicentric" in Little Downham. The same combination also won two annual trophies awarded at the AGM for Worlington Riding Club, so they finished a marvellous season on a very good note; well done Sue and Lord Nelson!

We had some great well attended activities over the half term holiday including a really fun Halloween day with riders as well as helpers dressing up in their scariest costumes!

Bambi is now the proud possessor of some beautiful driving harness and a mini driving trolley which she will be showing off at the La Hogue Special Christmas market on December 8th where she will be helping to take Christmas trees from the barn to your cars. She will also be "in Church" at the Chippenham Christmas Market on Friday Dec 6th disguised as a reindeer in a beautiful grotto!

Bambi & Santa

Everyone is invited to join Bambi at her special meeting with her friend Father Christmas on Monday 23rd December at 3.30pm here at The Coach House. She hopes all her little (and larger!) friends will be able to come along. As usual the New Street gates will be open; there is no charge, and all are welcome!

Wishing you all a very merry Christmas and happy and healthy New Year.

**From the Three Rivers Rector, the Rev'd Mike Banyard
01638 721616 banyardmg1@yahoo.co.uk**

Well as I sit here and write this letter, the late October storm is passing through the village, with gusting winds and much rain. And it threatens to get worse before it all calms down.

Jesus knew all about storms. The Sea of Galilee, fresh water fed by the river Jordan, and some seven hundred feet below sea level, is surrounded by high hills, sometimes creating conditions which bring stormy weather to the sea, which is eight miles wide and some thirteen long. A large expanse of water. And the scene of a thriving fishing industry in Jesus' day. It is also very beautiful. Jesus' disciples were in the boat fishing one night when a storm arose, and they were terrified. Even more terrified to see Jesus, asleep in the boat, oblivious of the increasingly chaotic scenes all around, being woken up and stilling the storm.

Jesus is good at that. Stilling the storms of our life, with its passions and terrors, our failures and missed opportunities. It's in the midst of all this turmoil that we can be assured of God's deep and total love for us; we are not alone. And of course, He is there with us in the joys and excitements of life too. But we do have to converse with him. It's called prayer, and we all do it from time to time.

Robyn Hood, Strange Fruit's Pantomime this year in Chippenham, with its last performance on St Andrew's Day, November 30th, promises to be a great show, with an involvement of so many talents in the village and beyond. From the authors, to actors, back stage crews, producers and directors, a large number of people, young and older have been brought together. It's a real sign of healthy community life, where no one is left out and all can take part. Its one of the many joys of village life, the interdependence and support which we all know is so vital in our life together.

Thanks to everyone who took part. It's been great. And fun too. Thanks again.

God bless. *Mike*

We held our Annual General Meeting in September. Reports were given by the Branch Leader and Treasurer. Our Secretary, Jenny Bowen, was unable to be present and her Report was read on her behalf. Another action-packed year with Lent Lunches, coffee mornings, meetings and visits all of which were very popular and so well supported. Thank you to you all.

Our new member from Fordham - Margaret Smith - was enrolled by Rev Mike Banyard at the meeting and we are delighted to welcome her to our group. The Committee continues for another year.

We were very sorry to lose our long standing member Judy Abbott who has moved away to be near her family.

Chippenham Youth Park

Despite a number of issues along the way, we now have a fully functioning basketball court! The aim was to have a surface that did not have the negative impact of concrete or tarmac, and this grass-like covering meets the requirement. The sand is used to help hold the sward in place and make it more resistant. This will find its way into the fabric over the coming weeks. A number of people have been making use of the court already. You may also have noticed that the mini-goal areas have had an area of sward inserted. This is to help protect this area, making it more usable all year round.

Further facility initiatives include a Bike Track and an Outdoor Gym, to compliment the existing Mini-Football Pitch and Basketball Court. The Committee would be delighted to receive feedback from any interested party in the village about the development, if you would like to get involved, please contact. POLICE are urging residents to take crime prevention measures this winter as part of a campaign against burglary.

With clocks having gone back and the days getting shorter, burglars may target homes mid-to-late afternoon and will look for properties that are unoccupied.

Burglars target homes that seem empty so it's important to make homes look occupied. Properties are generally broken into from the rear because the burglar doesn't want to be seen. Tall fencing, noisy gravel, spiky hedges and an alarm system all help. Windows and doors should always be locked when there is no one at home.

Remove keys from window and door locks, but keep them in a safe place to know where to find them in the event of an emergency.

Never leave items such as keys, bags and money on show through a window. Consider the position of key racks or shelves next to doors and ensure that they cannot be reached through the letter box.

Use timer switches to turn on lights and radios when you are going to be away from your house, consider the use of lights at the front and rear of your property that are activated when someone approaches.

Use bolts and padlocks on side gates. Consider chaining together all high value items stored in outbuildings. Perhaps use of a wireless alarm or link your shed or garage into an existing home intruder alarm system.

Check their home insurance policies to ensure their property meets the security standards required.

Crime prevention advice can be found on the force website in the Get Closer section

Residents are also urged to sign up to eCops to receive email updates from their local policing team. Follow the link on the force website.

Suspicious activity should be reported to the police on 101, or 999 if a crime is in progress, Crimestoppers, anonymously, on 0800 555111, or through Neighbourhood Watch.

Cambridgeshire County Council needs you to help change the lives of local children and young people.

Foster Carers provide a stable family support network for local children and young people when they are unable to live with their own family. Every year we have over 425 children and young people looked after by Cambridgeshire County Council.

The shortage of Foster Carers means that children and young people are placed with (independent foster carers or residential units some outside of Cambridgeshire) they may also be looked after within the county children's homes. We need to recruit more Foster Carers in order to give them the best possible future.

Foster Carers come from all different kinds of backgrounds. It may be that you have your own children or you may have worked with children before. You may have no experience of children or possibly considering a career change?

Every child is different so we need different Foster Carers, if you can offer stability, security and the positive experience of a loving family then we want to hear from you.

You might be:

- Married, in a civil partnership, single or living with a partner
- From an ethnic background
- In a same sex relationship
- In work, unemployed or retired

Recruiting local people will mean that children and young people can live in their own community, continue to attend the same school and maintain contact with their family and friends.

We offer generous allowances including a start up package, 24 hr support and full training. Call our freephone number on 0800 052 078 or email fanda@cambridgeshire.gov.uk

THE FOODBANK

Being ill so you can't work, or finding your benefits haven't been paid when they should, is a nightmare scenario however many people you need to

feed. So the Soham branch of the Ely foodbank, run by local churches for local communities, is welcome news.

The nights are starting to get longer and the number of people coming through the door is going up. There are all sorts of reasons why people find themselves in difficulties, but more often than not it is due to problems with the local social services and the welfare system. With very rare exceptions people are genuinely in need of help. They are given food for three days, and a chance to talk to someone who is completely non-judgemental over a cup of tea or coffee, so they can be directed to appropriate support agencies.

We're collecting food for the foodbank in Chippenham at St Margaret's Church. Or if you're in the Co-op in either Isleham or Fordham, why not buy something extra and put it in the box there. Items need to be packaged or tinned, with a shelf life of at least 3 months. There are flyers which you can pick up to see what kinds of things are most needed, but as Christmas approaches, festive items will also be appreciated.

If you're interested in finding out more, whether you're in a difficult situation yourself, or you might consider volunteering to help (and you don't have to go to church to volunteer), go along to the Salvation Army Hall, Bushels Lane, Soham between 10 and 11 on a Thursday morning. <http://www.elyfoodbank.org.uk/> info@elyfoodbank.org.
