## CHIPPENHAM BOWLS CLUB 2010 SEASON

Chippenham residents, why not try your hand at the sport of Bowls? 2010 promises to be an interesting year with full programmes in all three leagues that the Club enters i.e. Ely & District Men's, Ladies and the ever-popular Afternoon League.

So, come along and have a go at Lawn Green Bowling and sample one of the best-prepared playing surfaces in the County. Bowling is a sport for all ages and we need to support and encourage youth into the game as have a number of local clubs. The sport can be very competitive and rewarding especially the league matches. The Club's own annual championships are also very popular with club members. However many bowlers just want a friendly stress-free enjoyable afternoon or evening without the competitions, everyone is catered for. So if you live locally please come along and give it a try. You will be made most welcome.

Please watch the newsletter and local press for updates.

## Chippenham Cricket News

As many of you will know this has been an important season for Chippenham Cricket Club as we entered a Saturday League for the first time and also are playing in the first division of the Midweek League. All this in addition to the declaration cricket we have played for many years on a Sunday.

We have done well in the Saturday League scoring more runs than any other side. Ashley Brown, Simon Heather and Richard Sadler have consistently been scoring well. Unfortunately we have lost a couple of games as well though. Luck hasn't been on our side either, our game with the bottom team was lost to the weather and a crucial fixture against second placed Elmdon was abandoned due to rain after we had scored 275 and they were 8 - 6-6. In both cases it meant the points were shared

We are however still hopeful of finishing in the top two places, which will see us promoted in our first season.

The first division of the Midweek League is a very high standard with many of the best players in the area competing. With one game left we are set to finish mid table and secure our place in the top division for another season. This is an excellent achievement. Results have been mixed, we were dismissed for our lowest ever score against Godolphin but have won four games including a last ball win chasing 201 against league leaders Burwell. We also made 254 to Worlington, which in a very high score in this form of the game.

Below is the table on July 7<sup>th</sup> just before the last game of the season.

# The Parish Churches of

From the Three Rivers Group Associate  
Priest Rev'd Kate Peacock Tel - 723690  
(Chippenhams, Fordham, Isleham, Kennett and Snailwell)

I have to admit to being a real summer person – I love the warm days, Wimbledon, the bright almost garish flowers and the smell of the BBQ. And so far it has lived up to expectations (with the obvious exception of the World Cup and Andy Murray!) And I have to say I love the summer because it's also the only time when I ever feel warm in church! But, the days seem so full of optimism and the world takes on a slower pace. The heat and the opportunity to enjoy all our outdoor hobbies persuade us to take break, book our annual leave and 'stop and smell the roses' as they say.

Of course this can sound a little naïve, and for many of us the pace of life never seems to slow, even if we hope it might. (And I say this in light of a week of 3 funerals, 4 school assemblies, hospital visits and countless phone calls, meetings, visits and emails – and I know I'm not the only one to feel the pressures of work, especially in this climate).

So how do we make the most of our time and indeed try and make the most of our summer? It's a tough question and if I had the answer of how to literally make more time, I would be a multi-millionaire! But, what I do say, and what I do try and do, is start and end the day with a moment of peace, a moment of calm to prepare for the day ahead, and at its end to reflect on the day just gone. To stop, however briefly from the never ending treadmill, and take stock. For me, of course this comes in the form of prayer, seeking help and wisdom where needed and giving thanks for all that is good. My experience is that with God in our lives, we appreciate more, give thanks more readily and in our hearts find some peace. Peace which can only come from knowing ourselves loved by Him who created us. My hope and prayer is that we all take a moment to 'stop and smell the roses' this summer, and find a place and moment to enjoy all that we have, all that God has given us and to seek peace in our hearts, however frantic the diary gets!

## Reducing Summer Burglary

To reduce the risk of becoming a victim of a burglary this summer take the following steps:

- Keep doors and windows closed and locked if you are not in the room.
- Keep your private life private. Close curtains and blinds at night so no one outside can see your property.
- Out after dark? ask a friend or neighbour to close curtains and turn on lights. Use timer switches to turn on lights, radios or televisions to make the house seem occupied.
- Fit outside lighting to cover the front door, allowing you to see the caller before you open the door. A door viewer, or peep-hole, can be fitted if there is no suitable window.
- Create a safe corridor of light from the road or footpath. or from door to garage or shed. External lights fitted with passive infrared sensors (that turn on when someone moves within the area) or dusk to dawn sensors can illuminate your property and deter the burglar. (automatically turns the light on at dark and off in daylight).
- Garden sheds: Fit good locks, bolts and hinges. Connect items to each using steel cable or chain to make taking one item very difficult. Obscure windows to discourage the thief.
- Ensure garages with an internal door to your property are kept locked.

**Keep safe and enjoy the summer weather!**

## News from your Safer Neighbourhood Police Team

Dear Residents,  
We are often asked how to contact us with information that is not classed as an emergency, the answer is our non-emergency response telephone number. Keep a note of it:-

**0345 456 456 4**

Using this you can pass information to us, report offences that require a non-urgent response, or request that a member of your local policing team make contact with you to discuss any issues we can help you to resolve.

**Remember - in an emergency, always dial 999.**

Especially if lives are in danger or if there is serious risk of injury, if a serious crime is happening or if a criminal is still at the scene.

In all other cases and for general enquiries, please call us on 0345 456 456 4. This number is staffed by trained operators, 24 hours a day, seven days a week and bank holidays.

The ECOPs message service is another direct link if you have internet access. Go to [www.cambs-police.co.uk](http://www.cambs-police.co.uk) and click on the ECOPs link. If you enter your email address you will receive an email every week from your local officers telling you what your local policing team have been doing in your area.

Ian and I have now completed our speed gun usage training, so you will see us out more frequently with the gun conducting speed checks in our villages. Please keep your speed down so you don't get caught.

Following complaints of inconsiderate parking in our villages, we are watching out for parking issues and dealing with this by way of a fixed penalty notice and a £30 pound fine.

### Music In The Park

*"Another terrific classical event in Chippenham Park; a magical setting; great Orchestra and soloist; brilliant fireworks".* Just a few of the wonderful comments on our 2010 event. Many thanks to all those who have worked, supported, picnicked, sung along and flag waved!

This is a major scale event for such a small village; our three events have so far provided significant input (around £27,000) towards St Margaret's restoration fund.

### Galaxy Big Band comes to Snailwell

....more sunshine and picnics, as we wiled away a perfect evening to Glenn Miller and much more. Twice as many attended this year and many cries for 'do it again'. Much appreciation to those who 'make it happen' and Thank You all for supporting our Snailwell Church Fundraiser!

### Waste and Recycling in Snailwell

For the benefit of the village and its residents, would everybody please ensure that they do not put out their waste or recycling too early as this is unsightly especially if waste gets strewn or blown about. As a reminder, it is a requirement of the District Council that waste and recycling should not be put out earlier than 6 p.m. on the evening before it is due for collection. The Council say that black sacks will be collected weekly and recycling every two weeks, both on Wednesday morning unless there is a public holiday (excluding Christmas, New Year and Easter) when the collection will be the next day.

## Chippenham Women's Institute

Our July meeting was an outing on the river at Ely. The weather was perfect and everyone said how much they enjoyed it.

August will be a 'Summer Social' evening with refreshments provided by all the members

In September we very much look forward to special guest speaker Julie Bond on 'My Journey to Antarctica'.

Our competition is an ornament or toy – naturally, representing any wildlife from the Polar Regions!

This is just a snapshot of our busy programme, do come along to our meetings and see and hear what our group get up to. We meet on the third Wednesday of each month at 7.30pm in Chippenham Village hall. It's just £2.50 per meeting for non-members and you will be made most welcome.

## Village Hall Recycling bins

Please don't forget that the Village Hall gets money for all the recycled material from the bins in the hall car park. Recently a brand new kitchen was installed and the floor in the main hall has just been re varnished. All this upkeep costs a great deal, and we need all the help we can muster. By recycling at the hall and not by road side services, we all help to maintain our beautiful hall to the high standard we have all become used to.

## The Landlord Says ...

As I type, England is out of the World Cup but, for the first time that I can remember, the doom and gloom that usually follows a poor performance by our national team doesn't seem to have descended on the nation.

Instead, the team's loss seems to have been accepted as inevitable - although I can tell you that I, and so many other pub landlords, were praying for just one more week of competition! - and the country has moved on; mainly to enjoy the sunshine instead!

It has been great fun showing the World Cup on the televisions in the pub, even though I don't normally give a stuff about football. The atmosphere has been great and the weather has definitely helped give people a boost. And the good news is that apparently there is more good weather to come (although I'll believe it when I see it).

So why not join us this summer? I wrote last time that we're approaching Ali's 40th birthday and so it would only be fitting to have a bit of a bash for her. Last year we had Macca playing in the car park to round off our August Bank Holiday family day and they've kindly agreed to return again this year and perform their own rendition of Happy Birthday.

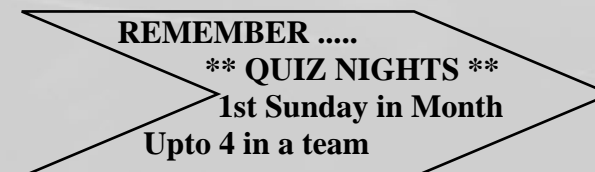

But this year we've decided to go for something a bit different on the Bank Holiday Sunday. Live music will be available in the garden from 4pm, along with a barbecue and a beer festival so there'll be several different real ales to choose from, plus our usual range of refreshing drinks, all served from our 'outside bar'. Ali likes to think of it as her very own version of Glastonbury, although our toilets are much better.

If you really want to make a party of it, why not bring the family along and bring yourselves a picnic\*, pick your spot in the gardens and enjoy the weather and the music?

Meanwhile, I've still got to figure out how to tell Ali that the week of her birthday is also the same one that the car needs to be MOT'd...

Mark J Daniels

- Landlord of The Tharp  
Arms

\* please do feel free to bring your own picnic food, but all drinks must be purchased from the pub.
