Walking in Chippenham Park

The owners of Chippenham Park Estate have for a number of years allowed the residents of the parishes of Chippenham and Snailwell to walk in the Park in designated areas. This arrangement is entirely private and there is no intention to establish public rights of way across the Park. In light of recently reported incidents elsewhere, where members of the public have been harmed by falling trees or stampeded by cattle, access to the Park will be restricted to those times when cattle are not grazing the Park and there are no inclement weather conditions that may increase the risk of sudden tree failure. The Park may also be closed at times where events are being held in the Hall or Park or tree works or agricultural operations are taking place. The permissive access will continue at other times provided certain conditions are observed but the right is reserved to withdraw this permission at any time.

Signage at the main entrance gates will advise whether the park is open or closed for walking.

When the Permissive paths are open it is on condition that:

- Dogs must be kept on a lead, please pick up after your dog
- Access is taken on foot only; horses, bicycles or motorised vehicles are not permitted
- The lake is out of bounds, no swimming is allowed
- Picnicking is not permitted
- Children must be accompanied at all times
- The permitted access route is through the main gate, through the wooden five bar gate, on the main track, through the next gate and again continuing on the stoned track. The access extends as far as the next locked gate at the bottom of the Park, this is clearly signed.
- Keep well away from the area in front of the house and the marquee

Faster Broadband for our villages!

Sign up to lobby for superfast broadband in new campaign

The 'Connecting Cambridgeshire' project is being led by Cambridgeshire County Council in partnership with Peterborough City Council, District Councils and partners in business, health and education. The aim is to bring access to superfast broadband to at least 90% of businesses and homes across Cambridgeshire and Peterborough, and better connectivity for all remaining premises by 2015.

You can register the demand for broadband in minutes with just a postcode and landline phone number, you can also check your broadband speeds, find out about the benefits of broadband for businesses and communities and volunteer to become Digital Champions for your local area.

The website www.connectingcambridgeshire.co.uk will be the main source of information about the project with links and regular updates about the campaign can be followed using Twitter and Facebook.

As I write, the hosepipe ban has brought the rain, the heating remains in the 'on' position and I'm wearing boots with socks, not sandals or pumps, and I've yet to enjoy any asparagus! – So we can celebrate that the English summer has well and truly arrived! And what a summer it will be! I for one am very excited about the Olympics (seems to me it's time for fun and celebrations) and the Jubilee will bring its own sense of community celebrations and thanksgiving to our Monarch and Supreme Head of the Church of England. It is set to be a summer of red, white & blue; and gold, silver, bronze. In our churches this summer we will be celebrating and praying for Her Majesty; as we give thanks for her 60 years as defender of the faith. It is a remarkable achievement, for anyone to be so dedicated and so tireless in their work. As a Diocese and as a parish we have all signed and sent a 'Great Big Thank You' card to the Queen, as a sign of our gratitude. Her role as defender of the faith and Supreme Governor of the Church of England is as you can perhaps imagine a huge task and a real responsibility – also as head of the Church it does rather make you wonder why all the fuss about Women Bishops; but I suspect that debate is for another time!

In our parish we are also celebrating a record 35 weddings this year! (in some churches several on one day – any brides reading this please don't be late!) In each marriage service we pray that the couple's love may be a 'seal upon their hearts and a crown upon their heads' (indeed in the Orthodox Churches Brides and Grooms do wear crowns). It is an outward sign of their love; which as Christians we celebrate in church, and as a Queen is a sign of her love and service of her country.

To wear a crown is joy and responsibility as any Monarch or as a Wedding Couple will tell you – a crown is a sign of love. Each wedding service begins with the words from John's Letter – God is love and those who live in love live in God and God lives in them. Amen to that!

This summer let us celebrate our weddings, our Olympic Glory and our Queen's Reign, and whether we dress up or not, let us wear our crowns of love – love for each other and love for God. And do join us in Church as we give thanks for what looks set to be a great summer of fun and celebration (whatever the weather!) *Kate*

SNAILWELL VILLAGE NEW PARISH CLERK

We are sorry to announce that our Parish Clerk, Juliette Chappell, is leaving us due to other work pressures and the Parish Council would like to thank her most sincerely for her hard work and dedication that she has shown us over the past few years. We will certainly miss Juliette and wish her well for the future.

In her place we are delighted to welcome Beverley Kelleher who joins us on 22nd May 2012.

VERGES AND VEHICLE ACCESS

There has been a number of incidents in the village where vehicles have been parked on or driven over the grass verges or pavements. This is often where extra access is required and there is no drop kerb.

Snailwell Parish Council would like to remind all residents that a vehicle is not allowed to drive over a verge and may only be driven over a pavement or footpath if it is entering or leaving a property.

If access is required onto a property, a right of access via a vehicle crossing is required and can be obtained from Cambridge County Council Highways Dept. If an application is successful a dropped kerb should be provided. The pavement needs to be reinforced and any section of verge that has not been covered needs to be replaced.

"SHAPE YOUR PLACE"

East Cambridge District Council is always looking to increase community involvement through such initiatives as the Neighbourhood Panel which is held in Soham each quarter. This gives everyone the opportunity to keep up to date with developments that affect us and have a say in district and local issues. They would like us to be more involved, and to those who have access they have launched a new website, www.ShapeYourPlace.org which allows interaction on the latest reports and issues that affect us all.

www.ShapeYourPlace.org is the community website giving everyone the power to improve their neighbourhood.

VILLAGE TREES

Having lost another red chestnut tree to disease on the lower green, we are looking for a replacement tree to maintain the street scene.

Unfortunately grants for the replacement trees are no longer available and the cost of a new tree would have to come out of the parish funds.

A resident has recently kindly donated a tree in memory of their mother. Any donations in this or for any other cause are always gratefully accepted and it is always nice to see a tree grow with a purpose.

The parish council would be very interested to hear from any resident of Snailwell who would like to donate a tree in this way.

DROUGHT CONDITIONS

It had to happen, as soon as the hosepipe ban started, it hasn't stopped raining!!

Despite this the Environmental Agency warned us that there may be reductions or at worst interruptions in the pumping of water into the village pond if there is no improvement in the water levels or if the drought conditions get worse.

Currently they pump water daily from the pumping station near the A14 flyover on the Snailwell Road into the village pond to maintain water level. Let's hope that the rain we are having will be sufficient to allow them to continue filling the pond.

If you have any questions or concerns please do not hesitate to contact Beverley Kelleher on 01638 711325 or at snailwellparishcouncil@hotmail.com.

CHIPPENHAM OIL CO-OP FIRST YEAR REVIEW

We have just completed the first annual cycle of 6 bimonthly bulk orders. Here are some interesting facts:

1. We have bought nearly 80,000 litres of oil
2. There are 53 addresses, including the Church and the Village Hall, most of which order regularly
3. We made a typical saving of just under 3p per Litre, or £42 on average each.
4. I now call 7 different suppliers each time, prices vary hugely, so it is worth phoning round
5. This graph shows the variability of the prices:

August seems to be the cheapest month, as many are away on holiday apparently, and so demand is lowest.

In February, despite having our biggest volume order, the saving was very small; however there was a cold snap then which caused a spike in demand.

I am happy to continue the administration of this co-op. I am not going to make any admin charge, as some others do, but I do propose giving a "tithe" of the savings that I have made to the Church restoration fund. If we all did that it would raise £220.

If you would like to place an order for June delivery, please let me have your requirements by midnight on 5th June. You know the form by now!

Oil Buying Co-operative CHIPPENHAM & SNAILWELL

**Deadline for ordering :
midnight Tuesday 5th June 2012
Target Order 10,000 litres.**

Orders to: James.hurst@winkhaus.co.uk or card to 47 High St

Any orders left by email will always be acknowledged; if you do not get a reply, I haven't received your order.. I will keep a note of any special needs such as access requirements., let me know if you wish to change these

- The minimum delivery is 500 litres; this is a Trading Standards ruling because of the accuracy of lorry gauges. To get the minimum ask for 500 litres; do not ask for a "top up" because you might get a "fill up".
- Orders will be collated and placed shortly after the order deadline and deliveries may or may not begin the same week. The price will not be known until the order is placed and the supplier may ring for payment before delivery (failure to reply to this call may put your order in jeopardy) or bill you direct after delivery.
- Please be aware that most suppliers now add 2% to the invoice for credit card payment. Debit cards and cheques attract no surcharge.

Thank you to the people who joined up to help us all and our community venues save money on nearly 80,000lts of oil!

News from **COACH HOUSE RIDING SCHOOL**

By the time this comes to print Bambi's

engagements will be well underway. We start the season at the La Hogue Garden & Lifestyle show and then the St Louis Festival of Sport. and we are in for a busy summer. We will be at Chippenham Park on June 3rd for the "Big Lunch" Jubilee celebrations as well as giving pony rides on the other ponies; all Bambi's outings are posted on her face book page "bambicoachhouse".

The show season has started well with our girls, Kirsty, Hannah and Anna on the school ponies bringing loads of rosettes home from the Worlington show - they virtually swept the board

between them! We have some wonderful colourful new show jumps they have been practising with so I'm sure that helped to get them going.

Our fields are very green with the rain and fertilizer however a little sunshine would now be welcome. Our new editions to the Coach House zoo down in the hollow are four "Large Black" piglets which are Kevin's latest hobby.

We are still waiting on the outcome of our funding bid to replace the old clubhouse, and are still hopeful we will get it, so follow the news on our website and facebook page www.coachhouseiding.co.uk.

Tracks around the horses fields and allotments

Please remember these tracks are "permissive" tracks and not public footpaths. We are pleased that so many people enjoy walking on them, but they are not bike tracks and need to be treated with respect, which includes a request to dog walkers; please pick up your dogs pooh and take it away with you as it is most unpleasant mowing the grass with

dog pooh in it., and please do not leave it hanging in a bag on our fences for someone else to move! There are pooh bins for that purpose in the village.

The Three Rivers Community Car Scheme

provides people with a door to door lift for essential journeys, driven by a volunteer using their own car. The passenger pays a contribution to the fuel and running costs of the car. Lifts are provided to appointments (eg.to the surgery or hospital, optician and dentist), plus help with visiting friends and relatives in hospital or with shopping

At the time of writing the season has got off to a very slow and wet start. Of the 10 fixtures we have had to date only 3 have been completed due to the bad weather. The good news is that we are unbeaten! The Saturday 2nd XI have won their first two games against Cockenach and Bardwell and the Sunday side drew with Stansfield in the season opener.

Ppractice sessions take place at the ground on Monday from 6.30pm. All standards welcome. If you are interested in playing please contact Alan Wright 01638 720948.

Junior coaching also takes place at the ground every Monday during the summer term excluding bank holidays. Coaching for 5-8 year -olds takes place between 4.30pm and 5.30pm and 8 to 12 year -olds between 5.45pm and 6.45pm. For more details contact Darren Hughes 01638 720915.

Family Kwik Cricket nights restart on Friday 14th May and run throughout the summer term, starting at 6pm. Just turn up to play.

See our New Website where you can find out what is going on at the club and details of all fixtures. The address is www.chippenham-cricket.co.uk
