Easter is a special time. Not just for the holiday, but because it is the central festival in our Christian calendar. A great mystery, but also a tremendous and life changing experience. There's nothing else like it. Dejected disciples went to the tomb where they had put Jesus' body on the Friday he died, and then they went back on the Sunday morning to complete the burial. What they found changed their lives, and it can change ours too.

Easter is at the centre of our faith. God knows how we are feeling, he has been here, in Jesus Christ, who really did die on that cross, and then really was raised again on the third day. And we can see signs of resurrection all round. And as the year marches on, and signs of new life are all around us, in gardens and fields, allotments and parks, we can celebrate that life which comes from God. And Easter is followed by that great festival of the Ascension, always celebrated on a Thursday as it is forty days after Easter, and Jesus is no more seen on earth, and then a ten days wait until Pentecost, Whitsun, when God's Spirit is poured onto his waiting disciples, giving them new life for their new journey of faith.

Resurrection is of course about that amazing event in Jerusalem all those years ago, but is also something we can experience here and now. We need to keep our eyes open to that possibility and give thanks.

What is at the foundation of your life? Where are your beliefs? How do you decide what is best both for you and your family, and indeed for our whole community? Is there a spirit of openness to one another, to both agreement and disagreement, for there will be plenty of both in our lives and in the life of our village? Let's work together, as so often we do, accepting and valuing our differences, and enabling us all to flourish and be the people we were created to be.

God bless. Mike

Many thanks to all who contributed to decorating our Church for Easter. Well done and hope you enjoyed it. Always a very relaxing and peaceful time. Peoples different ideas of a display or arrangement make for a wonderful and special overall picture of our celebration.

Look forward to seeing you at Harvest Time, some wonderful opportunities for displays then. Just think of all the Vegetables and Fruits and Flowers that are available. How could you display a thank you for your years harvest. Start planning!

A big thank you to Muriel for her time as Churchwarden and thank Michael Wallis for taking her place. We still need some one to come forward to take on the Church Secretary position. Please contact Maureen 577456

Appeal for help with Chippenham Village Fireworks, your Village needs you!

I know it's early to be thinking about the winter, but this does need organising now!

To continue our enjoyable, popular and free to attend event we need some help. I am willing to facilitate the ordering of the fireworks, and Terry Cross and I will volunteer our pyrotechnic experience and set off the fireworks on November 5th at the usual place, the field behind the Tharp Arms.

Insurance cover will be as last year, via the Church events insurance, meaning the refreshments will be managed by them and any proceeds from them going to much needed Church funds.

The fireworks have been funded in recent years by contributions from the Parish Council, a donation from the pub and donations from collections held on the night. To gain a 20% discount on the fireworks and achieve our extra stunning display, we have to provide a postdated cheque for September for approximately £950 to Kimbolton fireworks **in July!**

I'm sure the usual funding streams are willing to continue, it just needs someone to organise the funding arrangements and if necessary further source for any shortfall. Do you know of someone or are you that person?

In past years I have pump-primed any shortfall personally until reimbursement could be made from the event proceeds, regrettably I cannot do that this year.

The format and structure of this great village event is in place. If anyone is willing to organise or co-ordinate the funding of this event please contact me on details below by end June.

News from
**COACH HOUSE RIDING
SCHOOL**

The school closure is beginning to feel real now as we have sold all the bigger horses we had planned to sell; we still have Merlin, Bella and Tosh who will all be staying here as will Nelson and Bambi of course! We will be keeping the ponies and giving lessons till the end of the summer holidays. We have lots of grass now which is a great delight to all our Equines – we just have to make sure they don't over indulge and make themselves ill!

Bambi has had a few birthday parties to attend and had a visit from the "Lark Valley" Association who were very impressed with her. They also had a tour round the "Old Mill" stud which they thoroughly enjoyed. She has had her spring haircut and has been sporting her pink "hearts" outdoor rug which I hope to be able to remove if it ever warms up.

Nelson has been out competing quite a bit, and been quite successful winning two jumping classes the other weekend as well as a third place in a tough dressage class. We do have to make sure he doesn't get so fat that he can't heave himself over the jumps!

We try to keep everyone up to date with our "e" newsletters and Facebook pages.

DOG FOULING - PLEASE CLEAR UP AFTER YOUR DOGS

The recent spate of dog fouling in New Street has been reported to the District Council. The Dog Warden will be patrolling the area. Fixed penalty notices will be issued to dog owners who do not clear up after their pets.

If you witness any incidence of fouling please call Mark Mehaffey at East Cambs District Council on 01353 665555 who will take matters further.

Paths round the Allotments.

You will have noticed Kevin has sprayed round the edges of the tracks and has been busy mowing them so you can walk round without getting wet grass round your legs. Sadly there are still dog walkers who do not pick up after their dogs; this is most unpleasant to mow and other people including children step in it. Please be vigilant and if you see anyone not clearing up after their dog, please remind them these are private tracks and we would prefer to keep them open for all to enjoy.

All dog owners walking their pets on, or near, the Cricket Ground

The Groundsman and outfield assistants, and all those who use or visit the club cricket ground, would very much appreciate that all **DOG OWNERS** ensure that their animals do not foul the pitch or surrounding area.

The ground is now home to 4 Junior teams (from under 7 upwards) and 4 Senior teams – and has many regular groups of supporting parents and children. It is used most days a week.

Please respect the environment of those working and playing on and around the cricket pitch by controlling your dogs, and if necessary, clearing up after them.

Thank You

In February Linda Porter-Cohen resigned from the Parish Council. Linda has been a councillor for 7 years, and has contributed much to the work of the Council during that time. In addition, she has also represented the Parish Council on the Village Hall committee. I am grateful to her for her contribution, and will miss her at our meetings. James Broad

Parish Council Vacancies

In accordance with the statutory procedures, the consequent vacancy on the Parish Council was advertised, and Wendy Parsons has put her name forward. She will formally be co-opted onto the Parish Council at the next meeting, on 24 June. However it should be noted that the current Council was elected for four years in May 2011, and so will be up for re-election in a year's time.

At that point there will be further vacancies on the Council, and so we would be very interested to hear from anyone who thinks they could support the village by serving as a Councillor. Please apply to the parish clerk, Sally Hughes, for more details: tel no 720915. E-mail: Sally Hughes [chippenhamparishcouncil@hotmail.com] In the meantime, we are very pleased to welcome Wendy to the Council. James Broad

The ANNUAL PARISH COUNCIL MEETING was held on 6th May 2014

***Full minutes including additional reports are on the village website, or
can be obtained from the Parish Clerk.***

Chairman's report

The PC has met six times since our last annual meeting, as well as several planning meetings, and one extra-ordinary meeting. A number of matters have been dealt with:

- **Palace Lane Houses:** (8 & 10) Refurbishments in number 10 were completed and the property let to a new tenant.
- **Tharp Arms:** In August the PC applied for the pub to be registered as an Asset of Community Value, thus giving time for a village syndicate to emerge and buy the pub.
- **Village Information Board:** Following good work by Hugo Nicolle and others, a very attractive board, is shortly to be mounted within the boundary of the churchyard wall.
- **Play Areas:** The PC supported plans by a group of parents, the Chippenham Youth Play Park Committee, for the development of the allotment play area. A basket ball hoop and surface were installed -with grant money from ECDC, and then a grant from Amey Cespa was obtained to create a bike track. The play area now comprises a five-a-side football pitch, the bike track and basket ball area, and is being used and appreciated.
Repair work was carried out on the basket swing and zip wire in the Under 12's play area.
- **Village Hall:** The PC are in discussion with the Village Hall committee concerning the VH finances, and in particular the need to generate extra income. A number of needed improvements have been proposed by a representative from CambsACRE, and the PC is working with the VH committee to come up with an appropriate plan to implement these ideas.
- **Planning:** A number of planning proposals were considered by the PC, in particular a number generated by the new owner of Chippenham Lodge. The PC objected to the development of 15 static caravans at Rosewood Stud, and this application was subsequently turned down by ECDC.
- **Sponsorship:** The PC supported the annual Fireworks event, and also the Village Pantomime

•**Traffic Calming:** The PC were successful in securing funding from Cambs CC to improve traffic calming in the village. The funding was spent on new white gates at Parkside and Fordham Road, roundels (30mph) painted on the road, and improved high visibility signage within the village.

• **Issues:** A number of issues were dealt with, mainly by the Clerk:

Allotment water supply

Parkside corner – lack of drainage

Parking in New St, in relation to the junior playground –this item is ongoing

Verges tidied

• **Finances:** Our overall balance has dropped from £46,592 to £28,430, a drop of £18,162. This was anticipated, because of the expenditure on 10 Palace Lane and on the play areas, and the situation will stabilise in the coming year. We did however think it prudent to increase the precept by 5% to £5775. The council has now received a further £10704 since year end from VAT refund, CIL payment and 50% of the annual precept.

In conclusion, the Chairman thanked everyone on the Parish Council for their hard work and good spirit through the year.

Village Pump The Parish Council would like to thank Sallie Munden for continuing to provide the plants for the village pump planters and also carrying out the work to plant them. Her generosity and expertise is much appreciated.

Three Rivers Mothers Union

The Lent Lunches were most successful raising about £350, all of which will be donated to Charities, both local and overseas; these will be determined at our next Committee Meeting. Thank you to all who supported so generously, our donations do, in some small way, make a difference to families living in most difficult circumstances.

Our May meeting began with a short service during which Rev Michael Banyard welcomed Helen Sidebottom to our Group. Helen recently moved to the area has transferred her MU membership. New member Jill Savage who was enrolled by Rev Banyard; we appreciate him interrupting his busy schedule to be with us. After coffee our Speaker, Isabel Cross gave an interesting and thought-provoking talk on the Charity Lepra; who work in India and Bangladesh, among some communities classified as 'extreme poor' by World Health Organisation. As pioneers in Leprosy, for which there is now treatment, they address other diseases including Tuberculosis and Lymphatic Filariasis (more commonly known as Elephantiasis). Apart from Lepra's clinical research they run community education programmes and train health workers with a focus on tackling the prejudice, fear and discrimination associated with many of these neglected diseases. Thank you Isabel.

The Sunday team is a village friendly side playing throughout the season home and away. For Juniors there is a full coaching and playing programme – for more details read on.

Junior Cricket -

Getting youngsters interested in playing cricket is very important to us. We run weekly indoor coaching during the winter and spring and then at the ground in the summer. We also host junior cricket camps during the school holidays. We are very proud that four of our youngsters have represented the county.

Junior coaching (under 14 years) takes place on a Monday night. The sessions run throughout the school summer term (excluding Bank Holidays) finishing on July 14th. They are both fun and instructive and run by our very experienced ECB level 3 coach, Martin Eeles.

Martin will also be running his holiday cricket camps again in 2014. Each camp is over two days and there are sessions for two age groups. One for age 8 and over between 10am to 1pm (cost £35) and the other for beginners between 1.30pm and 2.30pm (cost £10). They will take place on the following dates;

First summer camp: 29th and 30th July

Second summer camp: 19th and 20th August

If you have a son or daughter who is interested in coming along to any of the above please contact Nicki Rutter on 07909 970790 or by email nicki.rutter@btopenworld.com

Friday Evening Fun -

Kwik cricket is a great fun game for all the family and for all ages.

The rules are very simple and you will quickly see how enjoyable it is.

Teams are organised on the night, so you don't have to commit to every week. We start at 6pm but don't worry if you can't get

there until later; we will still try and get you in a team (although the first people there will be the first people playing). We normally finish around 7.30pm.

So remember summer Friday nights are Kwik Cricket Nights
