

Chippenham & Snailwell Horticultural Society Autumn Show

Saturday September 13th, 2.30pm

Village Hall, Chippenham

Vegetables ~ Flowers ~ Cookery ~ Floral Art

All entries very welcome. There are classes for vegetables, cut flowers and pot plants, cookery, preserves, floral arrangements and a children's section. Schedules for adults and children available from Fred Fuller, 39b New Street, or Brian Drake, 10 Palace Lane, Chippenham or Betty Snare, 15 The Green Snailwell. Even if you don't enter the Show, do come along and have a look at the displays.

Village of the Year Competition

You may have read elsewhere that Chippenham has won the East Cambs part of the national "Village of the Year" competition. Our first round entry was a written submission put together by Alan Broadway which explained all about life in Chippenham under five headings: Community life, Business, Young people, Older people and Environment. This put us into the top 12 in the County and led to an exhibition evening at Haddenham when a small team and a huge stand stunned the judges and got us into the last six. The stand is at present residing in the back of the church and everyone is invited to pop in anytime to have a look. Our entry looked most professional (thanks to Terry Cross), with wonderful photographs, hanging baskets, a bench with fruit, vegetables and flowers and a video (of the Talent Night and Jubilee) plus a stand at least twice the size of all the others (*see above*).

Congratulations to Terry Cross, Kevin Pallant, Darren Hughes, Alan and Judy Broadway, Mike Banyard, Fiona Maxwell, Eileen Smalley, Leena Kiddy and Jennifer Wilson for the magnificent effort to date.

Now we await the visit of the judges here on August 13th when they will be shown round the village by Darren and Kevin (amongst others) to give them a feel for the size of the village and the variety of activities here. Could everyone please help on that day by picking up litter, etc. in the vicinity of their properties, to make sure the village looks its best.

The presentation evening is on Friday September 12th at Sutton when we hope to collect not only the District but the County award too.

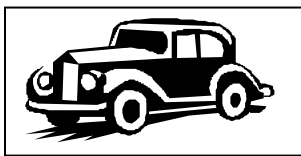

Gardens competitions judging

The annual competition for hanging baskets and containers in Chippenham and the contest for the best garden in Chippenham and Snailwell will be judged during the first two weeks in August. The results will be announced at the Autumn Show on September 13th.

Chippenham Tennis Club

Following last year's success in Division 3, the mens' team is doing well in Division 2 as this results table shows:

Norfolk & Suffolk League Mens' Division 2					
Team	Played	Won	Drawn	Lost	Points
Risbygate A	10	5	2	3	12
Burwell A	5	5	0	0	10
Chippenham	8	4	1	3	9
Risbygate B	6	3	1	2	5
Exning B	5	2	1	2	5
Victory B	8	1	1	6	3
Soham B	4	0	0	4	0

The mens' team has four players drawn from a pool of about 8, whereas our newly-created mixed team has given no fewer than 15 different people a chance to play for Chippenham in our first season, with victories over Soham and Wickhambrook to date.

Alan Broadway

Chippenham Women's Institute

We don't have a meeting in August but start our monthly meetings again in September. On Wednesday September 17th we meet to hear Mrs Hunt talk on Silk Painting. The competition is for a fridge magnet.

All members and friends are very welcome to our talks. Meetings all start at 7.30pm in the Village Hall.

Eileen Smalley, Secretary (720453)

Teas at the Park

The Park Open Day in June proved very profitable for us. We raised an amazing £1293 during the afternoon, from serving teas, a barbecue, Tombola and a percentage of the gate money. Many thanks to Anne and Eustace for giving us the opportunity to do this; it makes a very welcome boost for our church funds. Thank you also to everyone who helped by serving teas, manning the Tombola and by donating cakes. The afternoon was made very special by the appearance of "The Reverbs", (Paul, Rob, Tim and Steve), who encouraged many people to stay to listen to their music and spend even more money on tea and the Tombola. Thanks again, Alan Broadway

Chippenham Cricket Club

Junior Cricket

A Junior Cricket Day will take place on Thursday 7th August. In the morning, starting at 10.15am, there will be an opportunity for 7-11 year olds to enter the ECB Cricket Test Awards. This will be based on the skills that the juniors have been working at on a Monday night. After lunch (which will be provided) we will be joined by youngsters from Cokenach Cricket Club for a Kwik Cricket Tournament. A light tea will also be provided for the teams during the course of the afternoon.

It is important that I know exactly how many are attending by Monday 4th August so if you have not told me yet or said you were coming and now can't, please telephone Darren Hughes on 01638 720915.

Young player successes

Congratulations to 15-year-old Jo "Chop" Heather and 14-year-old Ed Waites who have both been playing regularly for Suffolk this summer. In addition Chop scored his maiden century (110) for us against Pimperl earlier this month and Ed was voted Midweek League Young Player of the Year.

Fixture news

An extra fixture has been added and will take place at home on Friday 8th August, start time 2pm.

Unfortunately the match on the 28th August against Old Chelmsfordians has now been cancelled.

HealthWise

As many of you may be aware strokes have become something of an issue in our family of late. They can occur to either sex at any age so it is worth considering some ways of reducing the risk.

Fruit and vegetables are a good place to start because of the high fibre content which reduces blood pressure as well as other beneficial substances all of which lower cholesterol. Remember we are urged to eat five a day of each to get a good range of protective factors so try to increase your intake gradually. Whole-grains, like wholemeal bread, wholegrain pasta and brown rice can cut the risk factor by some 35 per cent. White versions of these foods have all been processed so that most of the goodness has been removed leaving a less healthy alternative. Nuts (especially walnuts), seeds and oily fish, plus soya and canola oil provide the essential oils which our body needs to function. It is the animal fats (they go solid when cooled) which tend to raise cholesterol levels and affect the constitution of the blood so keep those to a minimum and try to find other sources of protein.

Nicotine raises blood pressure and cigarette smoke makes your blood thicker and more likely to clot. The position with regard to alcohol is less clear in that while moderate amounts can reduce the risk of ischaemic stroke, any amount can cause some increase of haemorrhagic stroke, and heavy drinking raises the risk factor for both. Obesity increases the risk of stroke by fifty per cent so do try to shed those extra pounds. Taking HRT, according to the most recent studies, can increase your risk of having a stroke by forty one per cent in the first five years so those taking it should have regular checks or consider natural alternatives. Using good quality supplements plus garlic, ginko biloba and ginger can make a significant difference and using a good quality toothpaste and brushing regularly is more important than you think. Researchers have found that those with severe gum disease have a two fold risk of stroke as a result of clogged arteries. Remember the Aloe Vera Toothgel containing propolis which kills bacteria instantly and does not contain fluoride which researchers are now discovering can actually ruin teeth rather than being of benefit and there is increasing evidence in the link between fluoride and certain cancers - we will save that for another article!

As always do contact me if you think I can help with any health or nutritional issues or if you would like advice on any of my product ranges.

Cambridgeshire Historic Churches Trust

Annual Sponsored Cycle Ride

Saturday September 13th, 10am - 6pm

The annual cycle ride in aid of the Cambs Historic Churches Trust is taking place on September 13th. There will be at least two cyclists from Chippenham taking part, and hopefully some from Snailwell. Please sign up for sponsorship if you are asked, as half of the money raised comes back to our churches and both have benefited from loans from the Trust in the past.

Chippenham raised the second highest amount of any church in the whole of Ely Diocese last year, so we hope to keep up the good work. Snailwell recently received a grant from the Trust, so the more money we collect the better.

Sponsorship forms and information are available now from Maureen Howes in Snailwell (577456) or Judy Broadway in Chippenham (720619).

Flower Festival weekend at St Margaret's "All Good Gifts" October 4th – 5th

St Margaret's Church, Chippenham, will be holding its Flower Festival and Harvest Festival weekend on October 4th and 5th. The theme is "All Good Gifts" and we intend it to be a celebration of all the skills and talents that are around in the village. The idea is that each exhibit should represent a skill, craft or talent as well as a flower arrangement. Examples could include sewing, knitting, carpentry, poetry, calligraphy, music-making, cookery, vegetable growing, or any kind of sport. Of course there will be plenty of room for children's work too. If necessary there will be help with the flower arranging on hand.

The weekend will feature a concert and Compline by the Choir on the Saturday evening, plus a Harvest Festival with Harvest Supper in church afterwards on Sunday evening.

Anyone who would like to contribute to the Festival in any way should contact Alan Broadway on 720619, Jennifer Wilson on 620649 or Mike Banyard on 721616.

Snailwell Church News

The Fete, July 19th

What a splendid day! The weather was perfect, the venue was great and Robbie and Tina did us proud. Everyone seemed to have a lovely time. Richard Fox was again the star of the whole event. A special thank-you to everybody who sponsored a snail. The interest and demand was overwhelming: they were still coming in on Saturday morning, but sadly I had to say "no more"! The majority of the snails performed well, though one or two refused to race. The total raised on the day was £1,168 and this is slowly increasing as further donations (amounting to £110 to date) are received. Many thanks to everyone who contributed with donations, articles, time and muscle. Every little bit was appreciated. On behalf of St Peter's Church PCC, thank you all.

Another event?

During some of the Fete meetings it was suggested that we have an event for the whole village; something along the lines of an outdoor party or street party including all ages, especially including those who don't get out much. Personally I liked what was being discussed. A date at the end of August or beginning of September would probably be the best, weather-wise.

Has anyone any other ideas? If so could you contact either Evelyn and Clive at the Old School, Hannah at 7 New Cottages, Gaynor at 1 Manor Farm Barns or Maureen at 6 The Street. It may mean the making of lots of salads, pastries, sandwiches, cakes, sweets and jellies but in this village it shouldn't be a problem, just a Fun Day for the village. Not a Fund Day – no money raising will be involved. What do you think? *MH*

Parish Council News

Neighbourhood Watch

There has been a spate of distraction burglaries in this area during the past few weeks, with people claiming to be from the Water Board, etc., attempting to gain access generally to older people's houses. Please make sure any elderly person living nearby is aware of this and encourage them not to open their door without checking credentials. It is also prudent to keep back doors locked when answering the front door.

Fly-tipping in Fordham Road, Snailwell

Snailwell Parish Council has for some time been very concerned at the increase in fly tipping in Fordham Road. We believe this is due in great part to people visiting EMR Ltd (was Mayer Parry) to bring scrap vehicles, parts of which are not accepted or subject to a fee. The unwanted items, tyres, insulation, etc., are then discarded at the roadside or in the nearby stream.

To try to solve this problem, Councillors are meeting the Depot Manager on August 6th to discuss a way forward. We hope to encourage EMR and the District Council to work together to keep this area tidy and make it once again a pleasant way into Snailwell.

Current Planning Applications

Staploe Medical Centre Minibus

Revised Times

Please note that as from August 1st the minibus to the Soham doctors' surgery will leave half an hour later than its previous time. The minibus will leave the Park Gates at 10.50am on Mondays, calling at Tharp Way and leaving the bus shelter at 10.52am. It arrives at the surgery at 11.30am. For more information ring the surgery on 01353 624123.

Chippenham Play Areas

The Parish Council has recently carried out some minor repairs to the play equipment at the Tharp Way play area following the annual inspection. The equipment is inspected at regular intervals, but if in the meantime anyone notices that any item needs attention could they please report this to the Parish Council.

Please also note that the playing field by the allotments is for the use of everyone, young and older. In particular people using the field to play golf should not discourage others from using it at the same time – it is a large area and there should be plenty of room if users are considerate of the needs of others.

New Pension Service

The Government has set up a new service - The Pension Service, part of the Department for Work and Pensions. The role of The Pension Service is to provide you with the service you deserve, delivered in a way that is convenient to you whether you are already a pensioner or are planning for your retirement, no matter how far off it might be.

The Pension Service will handle all telephone and postal claims, processing and enquiries about Retirement Pension, Minimum Income Guarantee (later Pension Credit) and related entitlements in 26 centres to be rolled out nationally. For Cambridgeshire the centre will be in Norwich. Primary contact with the Pension Service will be by telephone. The call will cost no more than a local telephone call for land based calls. The Local Service will provide face-to-face contact for customers unable to transact business on the telephone, by post or electronically. We will provide this face-to-face service where it is needed. The Local Service will also work with other organisations to deliver pension-related services. We aim to publicise information about benefit entitlements and the Pension Service by setting up information points for leaflet display, by initiating regular 'drop in' events i.e. in libraries round the county or by offering presentations to Pensioner and other groups. If you would like to know more about events in your area please ring and ask for one of the Local Pension Team. The contact number for East Cambs is 01223 545200.

From the Three Rivers Curate: Mike Banyard

What a superb welcome to Helen and myself in both Snailwell and Chippenham as I take up the post of Assistant Curate in the Three Rivers Group, and start our new life in the Vicarage. The fete at Snailwell meant that we could meet many who live there and the theme of Chippenham's entry to the Village of the Year competition is, "Chippenham: A great place to live", and our experience in both villages has been that they both are great places to be. A wonderful sense of community. So a huge **thank you** to everybody who has made us so welcome here and who are encouraging us in ministry. Your hospitality has been stunning.

My ordination as a Deacon in Ely Cathedral on June 28th marked a significant step in my own journey of faith, and it was tremendous to be surrounded by so many friends and family who supported me there. After twenty-eight years as a secondary school teacher in Ely, Cyprus, Hong Kong and Germany, and as a church worker at the Anglican Cathedral in Hong Kong, it was time to accept that my particular vocation was to minister full time in the church here in England. So here we are, living in the Vicarage in Chippenham, ministering mainly here and in Snailwell and working alongside Anne Haselhurst the Vicar of Fordham who supervises and leads me in the next stage of my training. We are delighted to be here. Change can be a great challenge, though it often provides opportunities too. Returning to College in Cambridge in 2001 to study theology in preparation for ordination marked a significant change for me. Westcott House, in Jesus Lane, is a theological college with around 60 students on the first stage of their training to be priests in the Church of England. There is a wide age range, in my year from 23 to 58, both men and women. Studying, working and living alongside such a diverse group was a great challenge. Sometimes it seemed overwhelming. Learning Greek at my age was difficult! Writing essays again and making presentations were skills to be re-learned.

Nothing like the challenges which so many face though, especially in times of loss or when life just seems too difficult and not taking the path we either expected or sought. Where can we find acceptance and understanding? Where can we find, not simple answers, but a sympathetic, listening ear, gentleness, kindness, patience and support? The church is here for you, to worship God, and to live in the way Jesus Christ showed us, building community, welcoming the stranger, working for peace and justice in our hearts, in our families and in our communities.

My telephone number is 01638 721616. Our main worship is on Sunday at 9.30am in Snailwell and 11am in Chippenham. See you there! May God bless you. MB

Cambs Historic Churches Trust grant of £1,000

The Snailwell Parochial Church Council would like to express their sincere thanks and appreciation for the financial support provided towards the rewiring of St Peter's Church completed earlier this year with grant aid amounting to £1,000. This grant aid came from Waste Recycling Environmental Ltd (WREN) through Cambs Historic Churches Trust using East Waste Ltd and Anti-Waste Ltd Landfill Tax credits.
