Chippenham Cricket Club

Despite the disappointing summer in terms of weather, we have not missed many games and have managed to play throughout September. Recent results have been very good with wins over Lidgate, Six Mile Bottom and Strange Fruit, plus coming close to victory in drawn games against the Pimlico Strollers and Kirtling. Ed Waites broke the club bowling record with 7-30 in our win against Old Wilhads and Cess Robinson took 5-16 against a strong Exning side where we performed well but slipped to defeat with two overs to go.

Jo 'Chop' Heather has been in good form with the bat, hitting an excellent 81 against Strange Fruit. In the same game Simon Heather scored 90. Alan Wright has produced his normal end-of-season run of big scores, with a hundred against Lidgate being the highlight.

On behalf of all the players I would like to thank all the Tea Ladies who have ensured that our teas remain number 1 on the circuit. Also a big thank-you to all the villagers who have supported us at games this year. The players really appreciate the atmosphere you have created and it has added to our enjoyment of the game. Many thanks,

Darren Hughes

The Holly & Jessica Fund benefited from a collection made in the Tharp Arms after the Strange Fruit cricket match recently. May I thank everyone who contributed: we raised £40.

Community Buzz Dial-a-ride scheme

Did you know there's a door to door scheme available for residents of villages like ours who don't have regular bus services. Community Buzz operates from Newmarket and will take you to the shops, to the hospital for visiting and on a wide selection of outings. Fares for those holding East Cambs bus passes are half price. There's a small annual membership fee to join. Ring 01638 608080 for further information.

Albert Emmerson

We have been overwhelmed by all the phone calls, kind words, flowers and so many cards sent on the very sad passing of our dad Albert Emmerson.

We feel very privileged to have had such a wonderful, kind-hearted man as our dad and granddad, but we didn't realise how special he was to so many other people.

Donations received came to £400, which will be spent on equipment for the ambulance service.

Thank you all for your kindness and concern, it is a great comfort to us all.

The 2002 Tennis Tournament was another great success with 20 players competing for the Millennium Challenge Cup, this time won by both Van de Peers, with Sean Newell and Alan Broadway runners-up. Congratulations Jane and Jon. Sadly, we had no junior entrants this year, but lots of spectators and a good barbecue: thanks to Simon for the cooking and to Jon for organising a very successful event.

I think the league table above speaks for itself: we hope to be playing in the next Division in 2003.

As the Village Hall looks likely to be out of action for the next few months while the extension is being built, we have re-arranged our programme and will be meeting at The Bowls Club. Many thanks to the Club for letting us use their premises.

In October we meet there on Wednesday 16th for a Social Evening, when all members and their friends will be very welcome. On Wednesday November 20th we are having a talk by Fran Saltmarsh, one of our Committee members from Moulton, who will tell us about lace making. Both meetings start at 7.30pm.

As usual, visitors and new members are most welcome. Ginette Hawes, President (781127)

Village Hall Extension

The builders were due to start work on the new extension on September 23rd. As well as extending the Hall towards the street we now have planning consent for an extra store room on the side. This will be used as a dressing-room for the stage and a store room for the staging equipment when not in use. The Parish Council has kindly agreed to pay half the cost of this extra room, the balance coming from Village Hall funds.

HealthWise

"Over a lifetime few people are left unaffected by the complications caused by an ageing, unhealthy body." Strong words but in so many cases true. We often do not worry about our health at all until it all starts to go wrong; then the task is huge. How much more sensible to work from a preventative angle and try to avoid the problems in later life. I have found a company who can help you to do just that - Neways.

Neways have a personal care range of products which are safe, non-toxic and remove the potentially harmful ingredients contained in most soaps, shampoos, tooth gels, bath preparations and deodorants. The good news is that there are small trial sizes of products to try to see if you like them without spending a fortune. There are so many products in this range which are all chosen because they have no substances which have been found to be cancer forming. Neways also has a household section where you can choose washing-up liquid, laundry detergent, cleaning creams, disinfectant and air-fresheners. If you would like to try one or two lines first let me know and I can supply you or if you wish to open an account with the company it costs only £10 which then enables you to order your own products at wholesale prices. Historic Churches Trust Annual Cycle Ride

Four intrepid cyclists set off in different directions from Chippenham on 14th September to cycle round churches in Cambridgeshire and Suffolk. We must have covered over 100 miles between us and visited over 50 churches. The cool weather was unexpected but at least it was dry and not windy.

In past years we have raised around £300 with 2 riders. This year we were joined by James Broad who has raised over £250 and Chris Coldrey, who worked incredibly hard at getting sponsors and hopes to achieve £600. So all together we hope to be sending around £1,250 to the Historic Churches Trust. Of this, Chippenham will receive half back, i.e. £625. This is a tremendous result – well done everyone and especially Chris. *Judy Broadway*

The Bishop's visit to Chippenham

Bishop Anthony, the Bishop of Ely, is coming to Chippenham in November to dedicate a beautiful new processional cross in church. He will preside over a Choral Evensong at 6pm on Sunday November 24th at which the cross will be dedicated. We are extremely grateful to the Revd Bob Torrens and to Andy Williams, both very much missed in our church life, who have jointly donated the new cross to us. Bob and Andy will both be coming to the service and we very much hope to see a good congregation to welcome the Bishop to Chippenham.

Chippenham Church / Churchyard Clean-Up Saturday November 16th, 10 am – 12 noon

Please come along and help us tidy up the churchyard (mainly leaf-sweeping) and carry out some annual cleaning jobs in church. Rakes and wheelbarrows will be very useful. Refreshments usually appear towards the end of the session. Peter & James, Churchwardens

Remembrance Sunday

Our annual Service of Remembrance this year takes place at Snailwell Church on Sunday November 10th, starting at 10.45am.

Thank you Audrey

I would like to take this opportunity to say thank you very much to Audrey Rooks for all her help and support over the last few years. We are sorry to see you and Vic leaving us. We wish you both every happiness in your new home. May everything go smoothly when you move.

God Bless,

Snailwell Church News

Flower Festival & Harvest Thanksgiving

We are holding a Flower Festival over the Harvest weekend, that is Saturday 19th and Sunday 20th October. The Church is always open but it will be manned from 11am to 5.30pm over that weekend.

The Flower Festival is a Celebration of Harvest and Life. If anyone would like to do an arrangement to celebrate something special in their life, please do come along and join in. If you have never done any flower arranging but would like to try, you are more than welcome. Children, teenagers, we would love to have your ideas and displays, so do come and help us.

There should be someone around in church on the Wednesday, Thursday and Friday before the Flower Festival, during the day. If you can only manage the evening, please let me know and I will delay locking-up.

We are hoping to incorporate a Produce Stall at the Flower Festival. There is always a demand for home-made produce in Snailwell so if you can contribute something for the stall it would be an added bonus to our funds. All monies raised at this years Harvest will go towards the Restoration Fund. Work is about to begin rewiring and lighting the church.

*The theme of our Harvest Service will be "Harvests Past". If anyone has any old farming photographs or implements that could be put in the church please contact me. David Ball will be leading the service: don't miss it! *Maureen Howes, 6 The Street, Tel: 577456**

Parish Council News

Police News

Following the recent tragic events in Soham the number of Community Officers covering our area has been increased from 2 to 4. There will also be a manned Police Station operating from the Weatheralls Health Centre in Soham starting very soon. Obviously a lot of police time is still being concentrated on Soham itself but at least we are in the same area and will be covered by more officers.

Crime statistics

There were no recorded crimes in July for Chippenham. In Snailwell there was one reported offence of criminal damage to a barn (spray painted). In Chippenham in August there were 3 reported crimes. A fuel tank and generator were stolen from La Hogue Rd, a mobile phone was taken from Chippenham Park and a handbag was stolen from a car parked in New Street. In August there were two reported crimes in Snailwell, both on the A142. One was criminal damage to a car (two windows smashed) and the other was the theft of a caravan from a storage area.

PC Kevin Humble has a new mobile phone, number 07734-815024. A new Community Contact officer has also been appointed, Kate Kent, who works from Ely Police Station. She is the main communication link to the Police for community issues and may be contacted on 07764-446034. Ely Police Station is on 01353 656643.

Neighbourhood Watch

We have received reports that elderly people in the North of our district have been targeted by door-to-door salesmen offering security alarms and other products at very high prices. These include a simple alarm which may be attached to a handbag or door which gives out a loud noise if activated. The alarms are available from Neighbourhood Watch for only £7 but are being sold by these con-men at up to £50. Watch out and if in doubt SHUT THE DOOR.

Chippenham Youth Club

I am very pleased to report the Youth Club has had two very successful meetings so far. We now have 25 members and 9 parent helpers. Our professional youth leader, John Butler, has been really great. Becky Shipp has very kindly offered to help every week, so we only need one parent volunteer each time. Even so, more volunteers will be very welcome, please contact Lynn for details and a form.

Will all helpers please remember to fill in and return their police check forms as soon as possible.

The members have enjoyed individual games and crafts plus an indoor hockey match so far. When the Village Hall is out of action with building works we are trying to arrange to have a Friday evening out to go swimming, bowling etc. and trips are being planned to Alton Towers and The Clothes Show. This will probably be during half-term week. Ideas are welcome.

We haven't had a lot of success with equipment donations although we have been given a basket ball, table skittles and a computerised chess set. Many thanks to those who donated them. Any other donations welcome.

Youth Club membership is 30p an evening. The membership forms must be signed by parents and returned as soon as possible. Drinks, sweets and crisps are available to buy at the Club. Times are Fridays: 8pm - 10pm.

Lynn Miller, 40 High Street, Tel: 720755

Skateboard plans for the playing field

As there seems to be a big demand for skateboarding facilities in the village, the Parish Council is looking at funding the building of a 'half-pipe' for skateboarders and BMX bikers. This would be erected at the far end of the football field, with the goal posts moved to accommodate it. We have found someone who has plans and can build the structure for us and we are trying to sort out insurance. I hope we will get the go-ahead from the insurers and the land-owners soon so that construction can start.

Judy Broadway

THE NEXT MEETING of Chippenham Parish Council is a planning meeting on Monday September 30th at 6.30pm in the Village Hall. The next ordinary meeting is on Tuesday October 15th at 7pm, also in the Village Hall (builders permitting). **Snailwell** Parish Council's next meeting will be held in St Peter's Church on Thursday November 21st at 7.45pm.

Christmas Bonus for Chippenham Pensioners

The Parish Council looks after two village charity funds which are used to give a Christmas bonus to pensioners in the parish. **If you received the bonus last year, you need not re-apply.** If you'd like to apply and are not already on our list, please fill in the form below. Ladies of 60 or over and gentlemen 65 or over are eligible to join. Please return the form to the Clerk at 50 High Street by Friday November 22nd.

CANDLELIT ADVENT CAROLS Chippenham **6pm**

Pastoral Letter from the Vicar of Fordham

No doubt others will disagree, but October is my favourite month of the year. I love the cool, crisp, sunny days we often get and all the autumn colours. Unlike summer, when I often long for it to be cooler, or winter, when I wish it would snow instead of being just grey and rainy, autumn is the time when I am most often content with how things are and enjoy my surroundings. But this October it is more difficult, for my thoughts are drawn away by fear of what the wider world is facing, and not knowing what any of us can do to secure peace in the Middle East.

Every morning I say Morning Prayer with one or two other people. At the end of the Office we have a time of intercessory prayers, amongst which are always prayers for peace and reconciliation. There is always a long list of places to pray for which often increases and rarely seems to diminish and I often wonder at the end of it all whether I've used the right words; whether what I'm asking for is in any way possible. We pray, in particular, for Israelis and Palestinians. The word 'reconciliation' is one which is often on my lips. But how can I pray for that when I can have no idea, really, just how deep the wounds go on each side. Often these prayers will come after we have a read a passage from the Old Testament which was written in the light of divisions and hurts which were already old nearly three thousand years ago. The story of Abraham's two sons, Ishmael and Isaac seems almost to be written in order to explain why the Jews and the Arabs don't get on. After the Exodus the Israelites are commanded to conduct a holy war against the inhabitants of Canaan. For me these are old stories, for Israelis and Palestinians they are today's news. Even looking no further than the events of the last eighteen months, it is hard to see how reconciliation can come about.

And at the moment, at the top of our list, are prayers for Iraq and for the whole situation there. We still don't know what will be decided about Iraq. Is Saddam Hussein serious about allowing the weapons inspectors back in or is he just stringing everyone along? Would getting rid of him lessen terrorism or simply harden attitudes throughout the Middle East? Parliament has reluctantly sanctioned the use of force against the Iraqi leader, and the catalogue of what he may have prepared in the way of weaponry looks chilling. And yet we cannot know the consequences of war. They could be equally chilling.

Beauty and ugliness, peace and conflict have always existed side by side in God's world, mostly because human beings have such a talent for destroying what is beautiful and peaceful in the search for wealth and power. You and I may not have much power over major world conflicts, but we can, and must, continue to pray for those who do.

With my love and prayers, *Revd Anne Haselhurst*
